## Bigger Volunteer Role, Protestant Association Told

The Protestant Welfare Association was cited at its annual banquet Tuesday evening as exemplifying voluntary service for others that may transform the U. S. during the next decade. The gathering of more than 100 was held at St. John's Lutheran Church.

Already, 55 million people nationally are volunteering work valued at \$15 billion each year, and both President Nixon and Governor Ogilvie have called for increased home rule only voluntary community service rather than emphasizing the role of the federal government.

William F. Winter, Press-Record associate editor, said, "Urban and college unrest is also spotlighting the importance of a 'we care' attitude among all people; the net result of increased awareness by government, business and citizens may be a massive, organized and effective movement to conquer domestic problems," the group was told.

SIU-SW and the Interstate 270 bridge were described as likely to have a continuing and deep impact here.

**Airport, Park, Renewal**

The 1970s also probably will bring a major airport, a Horse-shoe Lake park, improved handling of traffic, downtown revitalization, new apartments and homes, renewal programs, 60-minutes-a-month financial support of character-building activities, environmental improvements and governmental streamlining, the speaker forecast.

A computerized national clearing-house is planned by President Nixon to encourage exchange of information and to stimulate new voluntary efforts to solve problems in each community and region, locally, each citizen will need to consider devoting more of his time and skills to the achievement of a satisfying, successful society, Winter said.

Miss Young Bang Cho, a Korean student residing here, entertained the audience with two piano selections, and accompanied a Coolidge Junior high school vocal quartet in three numbers. Director was Mrs. Jane Kozielek.

**Officers Recognized**

Orville Ganz, president of Protestant Welfare, presided. Officers introduced were: Henry Ameling, first vice-president; Neal Kelso, second vice-president; Mrs. Minnie Dillard, treasurer; Mrs. Irma Taylor, secretary; Mrs. Marie Whitte, office secretary; and Mrs. Anita Kolsen, social worker. The Red Cross and other agencies were represented at the dinner.

Eric West was master-of-ceremonies. Roy M. Lynn, chairman of the annual dinner, introduced the speaker.

Prayers were offered by Rev. Samuel Boda, pastor of the host church, and Rev. Howard Bruner, pastor of Good Shepherd United Methodist Church. The dinner was served by the St. John's Lutheran Church Women's Service Guild.

The annual report of the association showed participation by 18 churches and five organizations. Ministers of the member churches serve as "directors for the day" of Protestant Welfare.

**2167 Persons Assisted**

During the past year, 2167 persons. Relief orders numbering 423 were issued for food, rent, utilities, medicine and new shoes and clothing, totaling \$7046. Clothing orders from the storeroom totaled 162, estimated at \$1797.

Through the cooperation of churches, Girl Scouts, Boy Scouts and civic groups, food, toys and clothing were provided for 150 families at Christmas. Furniture and household articles given during 1968 were valued at \$832. Wheelchairs, hospital beds and crutches were maintained and loaned to the public, it was noted.

The meeting committee consisted of Lynn, West, Mrs. Taylor, Mrs. Mary Simon, Mrs. Della Aulbaugh and Clarence Baumeier.

**EAGLE COURT OF HONOR** for Thomas A. Beck, who received the Eagle Award from Russell Lyons, Scoutmaster of Boy Scout Troop 15.

## Eagle Scout Award Ceremony for Thomas Beck

An Eagle Scout Award ceremony honoring Thomas A. Beck of Boy Scout Troop 15 was conducted Monday evening at the Fraternal Order of Eagles Home, 28th street and Madison avenue, the troop's sponsor.

Rev. Edward Hamilton, pastor of the First Baptist Church, gave the invocation, and Earl Pape introduced the guests. Eagle qualifications were read by H. Earl Wittig and the Eagle challenge given by Charles Rodell, advancements chairman, Unwired District, followed by the Eagle Charge by Victor Drexelius, council vice-president.

Russell Lyons, scoutmaster, made the presentation of the Eagle Award to young Beck. A son of Mr. and Mrs. Don A. Beck, 3229 Palm street, the youth began scouting in October 1962 as a cub scout in Pack 24 of Frutard school with Gilbert Watson as his first cubmaster, followed by Joe Evenson. As a member of Den 4, with Den mother Eleanor Beck, he earned the Wolf and Bear ranks with arrow points.

At age 11, Tom became a Tenderfoot Scout in Troop 15 with James Spinks as Scoutmaster. He became a First Class Scout on Aug. 18, 1967. Under the leadership of Scoutmaster Russell Lyons, he achieved his Star Rank on Feb. 26, 1968, and his Life Rank on May 27, 1968. He has served his troop as Patrol Leader and is now serving as Senior Patrol Leader.

In September 1968, Tom was "tapped out" for the Order of the Arrow at Camp Sunnen. He is now using his skills and experience to help his younger fellow scouts. He has met the requirements for the 21 merit badges necessary to earn the Eagle Award and has a total of 26 merit badges and is being awarded the Bronze Palm.

## Dodge Agency to Hold Country, Western Show

A Country & Western show will be held from 8 to 10 p.m. April 25 under the sponsorship of the Granite City Dodge agency on the agency property at 1911 Madison avenue.

Featured will be Bill Rainey and the Raindrops. Rainey is a disc jockey on radio station Koen. Local entertainment also is being arranged. A used car may be sold at auction, with bidding to start at one cent.

The agency, is planning to conduct similar shows through the summer.

## Radio Club to Meet

The Central Illinois React Radio club will sponsor a "coffee break" at the United Steel workers hall on East Broadway in Alton from noon to 5 p.m. Sunday. The group includes local members, coffee and cookies will be served, and all radio operators are being invited to attend.

## Zoning Board Approves Three Area Petitions

The Madison county zoning board of appeals has recommended approval of three petitions for special use permits and variations and denied another for areas of Nameoki township. Action on the recommendations will be taken by the county board of supervisors at its meeting Wednesday morning.

Petitions were approved for: A variation in side yard requirements requested by the First Granite City National Bank and Harold G. Baumann, trust officers, in a B-4 wholesale business district.

A special use permit requested by Myrl A. Heuberger, to place a mobile home in an agricultural district in Nameoki township.

Receiving a tract of land for Robert Becker from agriculture to B-3 Highway business district. (A special use permit for a mobile home was granted last month.)

A petition of Elwood Glasper requesting a special use permit to operate a solid waste disposal site in an R-4 single-family residence district was denied.

## Mrs. Vasiloff, 69, Dies of Heart Attack

Mrs. Mary Vasiloff, 69, of 1307 Washington avenue, Madison, a Quad-City resident for 60 years, died at 10:55 p.m. Tuesday at St. Elizabeth Hospital. She suffered a stroke two weeks ago and was hospitalized, but death was attributed to an apparent heart attack.

Mrs. Vasiloff was born in Austria and was a member of St. Mary's Roman Catholic Church. Survivors are her husband, Kosta Vasiloff; two sons, George Vasiloff of Madison and John Vasiloff of Granite City; four daughters, Mrs. Harold (Mary) Ballentine, Madison, Mrs. Louis (Kosey) Pragma and Mrs. George (Ann) Breiden, both of Granite City, and Mrs. George (Katie) Heipel, Swanwick, Ill.; 27 grandchildren and eight great-grandchildren.

Funeral arrangements are being handled in today's obituary column.

## Girl, 6, Struck by Auto, Hospitalized

A six-year-old Brooklyn girl who was struck by an auto as she crossed a street near her home sustained several injuries and was admitted at 6:10 p.m. Tuesday at St. Elizabeth Hospital.

The child, Deborah Malone, daughter of Mrs. Lucy Malone, 106 Thomas Terry Apartments, Brooklyn, underwent surgery yesterday for a fracture to the left shoulder and arm. The youngster also had 12 sutures taken in a forehead laceration and suffered abrasions and cuts to both legs. Her condition is good.

A family member said the child was crossing the road from behind a parked truck in the 600 block of South 6th street in the Lowrey housing project, when struck by a car operated by a woman resident of the Thomas Terry homes.

# MORE ABOUT Kisner Wins

56 in Ward One; 405 to 140 in Ward Two, 429 to 145 in Ward Three; 291 to 80 in Ward Four, and 191 to 11 in the Fifth Ward.

Demos Nicholas, Madison city treasurer for 16 years, defeated his opponent, George Burdell, by a three-to-one margin. He polled 165 votes in five wards to 560 for Burdell. Nicholas polled 350 votes in Ward One to 68 for Burdell, while in Ward Two Nicholas received 381 votes to Burdell's 188.

Ward Three cast 382 votes for Nicholas and gave Burdell 197. Nicholas polled 350 votes in Ward Four to 117 for Burdell, and in Ward Five outpolled Burdell 189 to 10.

## Ballentine Defeated

Harold Ballentine, a leader of the Madison opposition group and a long-time foe of the City Hall organization, defeated the most severe trouncing of all the candidates on his ticket.

As a candidate for alderman of Ward One, Ballentine polled only 67 votes, while incumbent Alderman Robert Reeves, an eight-year member of the council, tallied 353, a five-to-one margin.

Kisner's election by the 286 to 273 vote over Bosworth was confirmed officially by the city council which was in session at the time the voting returns were made. The council immediately canvassed the vote and seated Kisner as a council member. The canvass resulted in no changes in vote tallies reported unofficially to the clerk's office.

In Ward Three, where the tightest race for the aldermanic post was expected, incumbent Alderman Ray Kozielek had no difficulty in winning re-election over Sam Chomko, a Democratic precinct candidate and one of the city hall organization's most outspoken enemies. Kozielek received 334 votes. Chomko polled 221 votes. A third candidate, Joshua Sanders, received seven votes.

## Costoff Re-Elected

Incumbent Fourth Ward Alderman Christ Costoff polled a three-to-one victory over his opponent, Ronald Gushleff, with a vote of 355-to-117, while in Ward Five Booker T. Walton, incumbent, had no opposition. He polled 196 votes in his ward.

In the Venice city balloting, Mayor Lee polled 274 votes in Ward One, 408 in Ward Two, 244 in Ward Three and 267 in Ward Four for a 1213 vote total. A total of 1439 votes were cast in the Venice election.

The contest for the treasurer's office resulted in a total vote of 1064 for Anderson to 315 for Hampton, with virtually all of Hampton's votes coming out of Wards Three and Four.

Anderson received 269 votes to five for Hampton in Ward One, and 407 votes to eight for Hampton in Ward Two. He also outpolled Hampton in Ward Three 185 to 123, and in Ward Four 202 to 179.

City Clerk William "Mike" Ebersold, also unopposed in his re-election bid, polled 267 votes in Ward One, 403 in Ward Two, 233 in Ward Three and 275 in Ward Four.

## Without Opposition

Incumbent aldermen re-elected without opposition included Harry Buerer, 408 votes in Ward One; Hank Svezla, 408 votes in Ward Two; and John Erwin, 269 votes in Ward Three. Baucum, the only non-incumbent on the ticket, polled 323 votes in Ward Four.

Balloting in both the Madison and Venice city elections was uneventful Tuesday, although in Madison protests were repeated by Gushleff against what he termed "illegal tactics" of campaign workers for the incumbent group. At the Ward Four polling place at Trinity Hall, 1245 Madison avenue, where independent workers and incumbent supporters watched one another from opposite sides of the street, Gushleff charged that City Comptroller E. J. Miller had entered the polling place and had no right to do so.

Miller pointed out he had gone into the polling places to secure signatures of the poll judges on vouchers so that he could write out their checks for working the election.

The Venice vote is expected to be canvassed by the city council in its regular meeting Friday night.

## Skillet Catches Fire

Firemen were called to the home of Fred Luebbert, 1504 Joy avenue, at 5:20 p.m. Tuesday when a skillet on a stove caught fire. There was no damage.

## Hit-Run Damage

A car driven by Dennis Rice, 1540 Fifth street, was damaged by a hit-and-run auto on the fire station parking lot about 5:45 p.m. Tuesday, Madison police reported.

## Salaries Increases

worth congratulated Kisner on his victory and for conducting "a good, clean campaign."

Mayor Maeras extended a courteous welcome to the new alderman after expressing regrets over Bosworth's defeat. He called for continued service on the part of the outgoing official.

Kisner said he would work diligently for the betterment of the city.

At the opening of the meeting, the council adopted a resolution extending condolences to the family of Emil Uianski, veteran, First Ward alderman who died April 5 after 28 years in office.

The meeting started at 9:10 p.m. as the council awaited arrival of ballots from the Third Ward, the last to report. They were required for the official canvass.

# MORE ABOUT Council Shaping Up for Comptroller Debate Renewal next Week

A second round in an effort to eliminate the office of city comptroller is scheduled for next Monday night's Granite City council session.

The abolishment ordinance, introduced at the April 7 meeting, went on first reading 13-to-3 after failing to receive sufficient vote for immediate adoption. The vote on suspension of rules was 10-to-6.

Council members are expecting a legal interpretation next Monday night from City Atty. Scroggins, and from all indications, battle lines are being drawn up. There was no council session this week.

The ordinance to eliminate the office was submitted by Alderman Nomm, who said it was an economy move through which the city could save the \$10,700 annual salary of the comptroller.

He noted that in a pre-election talk, Mayor Partney had said the office of city clerk and comptroller could be combined as an economy measure. Partney pointed out at the April 7 meeting that he had indicated a man familiar with bookkeeping and financial procedures would be required in the office of city clerk.

## Added Duties for Clerk

City Clerk Homer "Car" Pendleton, who was re-elected April 1, would be picking up about a dozen additional duties. He has indicated that the chores could not be done by his present staff, which now is in the process of conducting the annual sale of city auto license stickers, and he has noted there is not sufficient room in his present office for the comptroller records and equipment.

# Under the ordinance which Nomm had prepared by Town-

ship Atty. William Schooley rather than City Atty Scroggins, the duties of the comptroller would be assigned to the city clerk.

Nomm, who was docked \$30 last month for missing a third council session, advised the Press-Record of a letter sent to the council's Finance committee in October 1967 by Jack D. Huggins, who audits city accounts, in which Huggins said the comptroller had not taken the initiative toward the new machine accounting system.

Huggins also commented that he had informed the mayor that he did not feel the comptroller could handle the job expected of him.

At the April 7 meeting, Alderman Rutledge pointed out that since the bookkeeping machine was purchased, the city has

# been notified that two sets of books are required under state law and that the machine was not readily adaptable to the process.

Under the proposed ordinance the city clerk would have supervision over all officers and employees of the city charged in any manner with the receipt, collection or disbursement of city revenue or with the collection and return of city revenue into the treasury.

## Budget Preparation

Other new duties for the clerk would be custody and control over municipal documents, books and papers, and to prepare the city budget, showing estimated expenditures, the year and any debts. He also would keep books and accounts as directed by the council and would keep all warrants, books, and papers pertaining to the office of collector open

for the inspection of the mayor or any member of committee of the city council.

Once a week, the city clerk would pay over to the city treasurer all money collected from any source, and he would be required to prepare financial status reports as requested by the council.

The clerk would be responsible for the annual year-end financial report and would keep records on all outstanding bonds of the city, the special assessment funds and any reimbursements made by the city.

Next Monday night, the ordinance is expected to be submitted for final passage, so as to abolish the office before the start of the next fiscal year on May 1.

## Summer Study by Jr. High Gifted In 3 Divisions

Plans were announced today for classes from 8 a.m. to noon June 2-July 18 at Coolidge Junior high school for selected students currently in the seventh, eighth and ninth grades in the Granite City school district.

Academically superior English students may attend school two to four hours and choose any one or two courses they desire.

They have been recommended for creative dramatics, modern space science, Russian, Spanish, German, journalism, basic economics, reading for enjoyment, current events, literature and composition, community resources, world power, Greek mythology, creative writing and speed reading utilizing individual reading machines and comprehension booklets.

Other courses available to this group include band, art, enrichment, plastics, home mechanics, vocal music, physical fitness and recreational sports and recreational activities.

Book rental and supplies will total \$3. Neither academic credit nor grades will be given.

A slightly different program is being offered to selected mathematics students. Seventh graders may study enriched mathematics, while eighth and ninth graders may take elementary logic this summer.

The mathematics instruction will be limited to two hours. Another two-hour class is not required but may be chosen from among the same lists (except speed reading) available to the superior English pupils.

Designated vocal music students may study singing for two hours. If they desire a second course, they can select it from the same list offered to the mathematics group.

## GERALD REYNOLDS Injured Severely

### Former Resident's Son, 6, Badly Hurt

The young son of a former Granite Cityan, six-year-old Gerald Reynolds, is in critical condition in the intensive care ward at Alton Memorial Hospital with torn vocal cords, suffered when he was attacked by a dog at Alton.

The boy, a kindergarten pupil, was injured Tuesday when he was in the yard of a neighbor, where the attack occurred. His mother, Mrs. John (Janie) Reynolds, said there were no witnesses and no one knows exactly what happened.

"It will be another 24 hours or longer before we'll know exactly how Gerald will make out," she told the Press-Record.

### Rev. Luther Hampton Stricken, Dies at 69

Rev. Luther Hampton, 69, a retired minister of 224 Cleveland blvd., was dead on arrival at St. Elizabeth Hospital at 8 a.m. today after suffering an apparent heart attack in his home.

He had been ill with a heart ailment and under a physician's care for the past year and a half.

Rev. Hampton was a native of Fredericktown, Mo., and had lived in Granite City for the past four months.

He is survived by his wife, Mrs. Ethel Hampton 2 daughters, Mrs. Josephine Matthews and Miss Alma Hampton of Granite City, one son, William "Ted" Hampton of Manchester, Mo., six grandchildren and six great-grandchildren.

Funeral services are given in today's obituary column.

## MORE ABOUT School Bonds

also was discussed by a financial institution but did not take specific form. McCowen told the board that his offer had lapsed at 3:30 p.m. yesterday.

### Accept Printing Costs

The board agreed to accept bond printing costs estimated at several hundred dollars to a thousand dollars after the financial group agreed to the terms of the bond issue. The bonds may not be ready for delivery until June 1. This latter agreement in effect gives the district \$19,791, it was calculated.

McCowen said the bond syndicate had "cut to the bone" in deciding to make the offer on the original amortization schedule after first discussing a possible request that the schedule be revised.

Board members and administrators avoided making predictions on the bond market, but many authorities foresee a further interest hike in the future.

### Meets Original Proposal

The school board's decision was based on the fact that it conforms to the original proposal for the bond printing, a relatively minor item. The first sale offer technically had expired due to lack of any subsequent board action, but it was well known publicly and in financial circles that the district was hopeful of selling its bonds, it was noted.

Two of three local fiscal authorities contacted last night advised their approval, the third disagreeing because of potential public reaction.

Board members said that while they would have preferred competition, a full effort had been made to obtain competitive bids and large number of institutions read the specifications this spring.

Investment of 8% interest was estimated that proceeds from the 3% bond sale government securities during the period prior to their expenditure for new buildings. Interest gained will more than offset interest paid in the first year, he noted.

Interest construction costs were noted as a factor in any indefinite delay of the construction program, and was another reason the proposed facilities are needed badly. Architectural work on details building plans was halted after the March 28 meeting.

Many school districts throughout the S. have bond issues which are attracting little or no interest from buyers, the discussion brought out.

The past record, current solvency and future outlook of the local community were thought to be among the factors leading to the purchase offer.

The vote was 6-0, with George Moore Sr. not present.

Bond Attorney William Schooley advised acceptance of the offer, which he described as fully legal. The approval was made subject to approval by Chapman & Cutler, Chicago bond attorney.

Supt. B. J. Davis and Anderson pointed out that the election enables school bond interest spending to be implemented at the same tax rates mentioned to voters during the campaign preceding the bond election.

A formal resolution on the sale is to be adopted at the next board meeting next Wednesday.

The bonds are to be sold at par value, with no premium. Interest will total \$1,834,208.

A breakdown of the principal and interest payments as of Oct. 1 of each year follows:

1970 — \$95,000 principal and \$67,29 interest; 1971, \$215,000 and \$25,929; 1972, \$290,000 and \$39,261; 1973, \$240,000 and \$53,000; 1974, \$250,000 and \$67,708; 1975, \$285,000 and \$85,020; 1976, \$750,000 and \$278,125; 1977, \$800,000 and \$336,666; 1978, \$1,010,000 and \$475,541; and October 1979, \$885,000 principal and \$466,145 interest.

The amortization was structured to fit around previous school bond debt, leaving a relatively level tax in each of the next ten years.

Last night's agenda included a plan to change the retirement schedule to place more money in the early years. Bids would have been sought May 7, but the call was not authorized due to the decision to sell the bonds immediately.

## Strongarming, Theft of \$315, Heads Crimes

Strongarming of a service station attendant who was robbed of \$315 and a series of thefts from parked autos were among crimes reported to Quad-City area authorities since Monday.

A service station attendant was robbed of \$315 early yesterday by two young men who held a knife to his throat and threatened to kill him, Madison police reported.

Donald Bergman, 22, at the Deep Rock station, Fifth street and McCambridge avenue, told officers the men were in an auto parked at the service station when he opened the station at 7:15 a.m.

Lepardus said the men grabbed him, held a knife to his throat and took two envelopes containing currency that totaled \$315.

**Theft from Auto**  
An oil filter, bowling ball, fishing tackle box and a can of motor oil were stolen from the auto of Paul Cuppett, 3708 Kirkpatrick homes, he reported at 10 a.m. Wednesday.

A wing was parked open while the car was parked by the fuel tanks at the housing project. The victim reported that a portable radio was stolen from the car Monday night.

General Walker, 2809 Forest avenue, reported at 3:30 p.m. Monday that a thief broke into his 1961 auto and stole a stereo tape player valued at \$60, a box of 10 stereo tapes valued at \$25 and a color organ powered by a transistor radio while the car was parked on the rear lot at Granite City high school.

A car transponder radio valued at about \$50 was stolen from the auto of Evelyn Townzen, 4807 Kirkpatrick homes, while it was parked at her home during the night. Entry apparently was gained by using a coat hanger.

Burglary Vandalism  
The apartment of Miss Eliza Buchanan, 1728 (r) Cleveland blvd., was damaged in a burglary after noon last Saturday, she reported at 6 p.m. Tuesday.

Nothing was missing, but the door was kicked in, two kitchen knives were stuck in the walls, furniture polish was sprayed on a dresser mirror and a can of flour was spread all over the livingroom-bedroom combination.

A check machine and a book of 500 checks from the Granite City Trust & Savings were stolen in a burglary of the office of the Glass Doll, 2300 Nameoki road, it was reported at 1:40 p.m. Tuesday by Mrs. Ellen Weeks, proprietor.

The machine was found later in the alley at 2622 Lincoln avenue. Entry was gained by forcing a board at the office.

Etta Clements, 3801 Kirkpatrick homes, reported at 8:40 a.m. Wednesday that a purse, which she had left in her auto, was stolen while the car was parked on a lot at Madison avenue and Nameoki road. The purse contained insurance papers, marriage license and other papers.

**Lawn Mower Stolen**  
Lorenza Dimarco, 2307 Kirkpatrick homes, reported at 7:10 a.m. Tuesday that his 20-inch rotary lawn mower with a canvas cover was stolen from the front of his apartment during the previous evening.

Wayne McIlvay, 2548 Ivy lane, reported at 4:25 p.m. Monday that while he was taking a shower at the General Steel Industries plant, his wallet was stolen from the locker room. It contained \$2, his driver's license, draft card, credit cards and other papers.

Julia Lorentz, Route Four, Edwardsville, reported at 10:25 p.m. Wednesday that her purse containing 460 and cosmetics valued at \$10 was taken from the front seat of her 1965 auto parked at 2400 Nameoki road.

A 1963 auto reported stolen from the leased car lot at the Metro Lincoln Mercury agency, 1500 Madison avenue, at 8 p.m. Tuesday, was recovered during the night.

## Hillside Drainage Bill Filed in House

Legislation for a new study of Hillside Drainage requirements—the first step toward state sponsorship of a federally financed drainage program—was introduced Monday afternoon in the Illinois House by State Rep. Edgar C. Lehman (R-East St. Louis).

Rep. Lehman said the bill was approved by Gov. Richard B. Ogilvie before he filed it with the Index Division of the Secretary of State's office for posting on the legislative calendar, and other area legislators, including House Speaker Ralph T. Smith (R-Alton) are behind the measure.

Lehman said the bill includes Rep. Leland J. Kennedy (Alton), Kenneth Hall and James Krause, both Democrats of East St. Louis, Sam Vadalabene (D-Edwardsville), Dr. Norbert Springer (R-Chester) and William J. Cunningham (R-Pinckneyville).

The bill, in addition to authorizing the Illinois Division of Waterways to devise a plan for state participation in a federal project for flood control and waterways improvement in the area of Madison and St. Clair counties, also directs that department to work in close cooperation with the U. S. Army Corps of Engineers and other state and local agencies in updating and improving previous studies of the project.

The measure calls for a report and recommendations to be submitted to the General Assembly by next March 1. Actually, the proposed legislation does not commit the state financially, although such commitment eventually will be necessary to sponsorship of the project.

Lehman said that the project estimated costs at about \$12 million. But that was three years ago. Increased construction costs and added requirements in updated plans are expected to increase the costs well beyond the \$15 million mark.

Sponsorship of the program under the old plans called for about \$5 million to qualify the plan for federal funds. Engineers estimate that this sponsorship requirement now is nearly \$9 million.

State officials point out that a commitment of state funds would not be made until the required plans are under way by the Army Engineers.

Has Sent Commitment  
The Army Engineers have disclosed that Gov. Ogilvie, who committed himself to the Hillside Drainage project last night, previously was designated as his successor and currently is on a staff recruiting trip. Leo Norbert Jones was the group of faculty applicants this spring as better than any during his service with the district.

Twelve other retirements and resignations were authorized, two leaves of absence were granted, two leaves were extended, a teacher was placed on tenure and seven teachers were hired for the 1969-70 year.

Termination of the work of Hubert Hall, a Grigsby junior high school custodian, effective April 11 was ratified by the board.

A letter was sent to a parent instructing that a child be sent to school. A letter from an attorney making allegations against a faculty member was received, with a reply authorized requesting substantiating information.

An objection to the way in which two maintenance staff positions were filled was discussed. The board concluded that required procedures had been followed.

**School Security Patrols**  
The Sure Security Patrol Corp. of Mitchell was hired to patrol the Mitchell and Stalburg schools to discourage vandalism. Granite City police are making similar inspections at other schools.

"records day" earlier omitted from the calendar was designated for May 28; schools will operate for a half-day, with teachers using the remainder of the time to prepare their records.

Briefer classes are scheduled for the final day of the term May 29.

Final negotiations given on negotiations, which are continuing weekly with school employee groups. Current agreements expire June 30.

Widows and children of veterans with service after Aug. 4, 1964, are eligible for pensions on the same basis as those of veterans of world war I, world war II, and the Korean Conflict.

**Let Retiree in June**  
Plans for the retirement of Earl Leb, personnel administrator, effective June 30 were

Sharon Rawlings, Kathy Ritchie, Pamela Hassler, Darryl Pike and Gerald Pike. Third row—Gregory Wagner, Steven Odum, Timothy Schmidt, Douglas Schulte, Don Willaredt, Joseph Holtzschner, Brad Weiss, Leonard Schaefer, Eugene Mueller, Robert Kratz, Keith Sipes and Russell Robinson.

## Plan for Police Communications System Advanced

Significant progress has been made toward establishment of an area-wide communications system for law enforcement agencies by a subcommittee of the Southwestern Illinois Law Enforcement Commission, according to a progress report issued today.

The Steering Committee of SILEC, which was created last February to develop comprehensive planning for communications, education, police operation and youth service in the enforcement field, will meet at Augustine's restaurant at 6 p.m. May 1, it was announced.

The university has announced that Staff Assistant Thomas Hughes has been assigned for the next three months to develop a comprehensive plan for the many elements related to law enforcement.

In addition, Hughes will establish methods for obtaining necessary information for central records and structuring courses of study related to university level education and training which are expected to become a part of the curriculum at SIU-SW.

An application for planning grant security was to be submitted under the Juvenile Delinquency Act of 1968 by the Juvenile and Youth Service subcommittee headed by James Reidelberger and Howard Moore.

**Bike Hits Patrol Car**  
A bicycle operated by Keith Brooks, 13, of 1817a Maple street, came from behind a large parked truck and struck the front of a police car driven by Patrolman Albert Diak, 3104 Jell Avenue, at 4:30 p.m. Wednesday at 18th and Benton streets. Diak was slowing to make a right turn. The boy was not hurt.

**Convertible Top Slashed**  
Victor Buehler, 2800 Madison avenue, reported at 7:15 p.m. Wednesday that the top of his 1968 convertible auto was slashed and the rear window was broken while the car was parked during the day on the lot of Prather junior high school.

treated for abrasions to the forehead, both elbows and both knees. He also sustained back injuries and cuts of the right elbow. He was given x-rays of skull, spine, elbows and knees.

Madison police said Ray told them that when a car ahead of him stopped for the train, he applied his brakes and that his car spun around. He said the next thing he knew was that he was being held by someone, police reported. The car was damaged extensively in the front and right side.

Ray was ticketed by Madison police on a charge of driving with an expired driver's license.

**Runs Into Auto**  
Marsha Pulley, 7, of Apt. 24, Venice Homes, was treated at St. Elizabeth Hospital at 4:30 p.m. Monday for injuries sustained when she ran into the side of an auto driven by Gary L. Wallace, 640 Washington avenue, Venice.

Officers said the accident occurred on Circle drive at Venice Homes as the child ran from north to south across the street and ran into the side of the car. The girl was taken to the hospital by Venice police.

Austin Hooper, 35, of 3121 Jill avenue, and Mrs. Shirley Holman, 28, of 1609 Minerva street were injured when their autos collided at 5:30 p.m. Monday at Minerva and Ball avenues.

Both were admitted to St. Elizabeth Hospital. Hooper suffered superficial scalp lacerations.

## General Steel Sales Up—Earnings Down in Quarter

General Steel Industries, Inc., had net sales of \$37,652,000 and net income of \$1,004,000, or 43 cents per share, for the three months ended March 31, compared with sales of \$27,131,000 and income of \$1,100,000, or 47 cents per share, in the first quarter of 1968. It was announced last year.

W. Ashley Gray Jr., president of the diversified manufacturing corporation, told the annual meeting of stockholders, held at the Castings Division office here, that earnings had improved as anticipated in the first quarter and were "on an upward trend as we move into the second quarter."

"There has been a steady recovery from the problems encountered in the fourth quarter last year," Gray said. "GSI's range of basic industries.

order backlog at March 31, was \$81,728,000.

"We look for further improvement. Barring the unexpected, GSI's sales and earnings for the first half this year should be as good as or better than those of the strong first half of 1968."

GSI had net sales of \$39,774,000 and net income of \$2,233,000 or 96 cents per share, in the first half of last year.

Frederic M. Peirce, chairman of the board and chief executive officer of General American Life Insurance Co., St. Louis, was elected director, succeeding Henry B. Pfleger, St. Louis attorney, who had retired from the board. The 11 other directors were re-elected.

General Steel Industries, Inc., operates six divisions with 23 plants in the United States and abroad and supplies a wide range of basic industries.

Mrs. Holman had forehead abrasions.

Mrs. Anne Spinner, 59, of Hempstead, N. Y., was injured when an auto driven by her husband, Nathan Spinner, was forced off of the road and struck a guard rail at 9:30 a.m. Wednesday on Interstate 270 a mile west of Route 3. She admitted to St. Elizabeth Hospital with pains in the upper chest and lower back. X-rays were taken.

## MORE ABOUT

## Levee District

80.6 cents in the combined Granite City tax rate as compared with that of \$4.40 extended last year. Most of the increase lies in the rate for Granite City school District 9 which rose from \$2.70 last year to \$3.129 for the 1968 tax year, and in the Granite City corporate rate which has increased from 88.3 cents to 95.5 cents for the 1968 year.

## Announce GC Assessment

Miss Hotz's office announced that a new Granite City property valuation of \$173,768,430 has been fixed. This is an increase of \$5,666,328 over last year's value of \$168,102,104.

The increased tax rate applied this year against the higher valuations will mean that Granite City taxpayers will pay a substantially higher tax bill this year.

New valuations also were announced by Miss Hotz's office for the city of Madison and Venice and the Granite City, Madison and Venice school districts.

A slight drop is shown in the new Madison City assessment totaling \$40,076,508. Last year the Venice valuation was \$43,115,412.

In Madison, however, the corporate valuation increased slightly from \$21,029,517 to \$21,391,731.

Valuation of the Granite City school district has been fixed at \$219,264,305, an increase of \$7,091,359 over the 1967 assessments of \$212,172,946.

The new valuation of \$35,628,148 of Venice School District 3 is a slight drop below last year's \$35,663,826, while only a slight increase is shown in the new Madison District 12 values of \$23,391,216. Last year the Madison district assessments totaled \$32,140,230.

Miss Hotz said the new valuation of the Granite City park district has been fixed at \$166,829,695, compared to \$161,588,824 last year.

A breakdown of the city corporate rate at Venice lists a general fund rate of 33.3 cents, same as last year, a new item of 2.2 cents for street lighting and 10 cents for the garbage fund, up from 9.6 cents. The library rate is down slightly to 4.64 cents from 5.3 cents and the police pension fund rate is up slightly to 9 cents from 8.94 cents.

The new working cash fund is 2.58 cents compared to 2.57 cents and the street and bridge fund rate is 10.18 cents compared to last year's 10.17 cents. The rate for police protection remains unchanged at 15 cents, while the fire protection rate is 11.9 cents, up from 10.77 cents. The municipal retirement fund rate is 3.9 cents, up slightly from 3.69 cents.

The Madison corporate rate which totals \$1.027 cents compared to last year's 99.4 cents includes a general fund rate of 25 cents, up from last year's 19.84 cents.

The city's garbage fund rate is unchanged at 10 cents, but the library fund is up slightly to 7.9 cents from 7.74 cents. The public benefits rate of 1.67 is down slightly from 1.7 cents and the police pension fund rate also is down slightly at 14.73 cents from 14.98 cents.

Only a slight decrease is shown in the street and bridge fund rate of 9.82 cents. Last year it was 9.99 cents. The new fire protection fund rate of 9.82 also is down from 10 cents, and the playground and recreation rate of 8.12 cents is down from 8.26 cents. The civil defense rate is .94 of one cent, compared to .8 of one cent last year, while the municipal retirement fund rate has been upped to 15.22 cents from last year's 9.90 cents. The rate for liability insurance dropped to 4.91 cents from 5 cents.

## GCHS to Host 14-Team Tennis District May 3

GCHS was assigned this week to host district tennis play May 3. Thirteen other district sites also were named.

Competing here with two singles players and two doubles teams each will be Alton, Belleville East and West, Collinsville, Columbia, Assumption, Edwardsville, Highland, Lebanon, Mascoutah, O'Fallon, Roxana and Westview of Trenton. A total of 196 downstate and suburban high schools have entered the annual tournament series.

## GC, Trojan Runners In District at Alton

Granite City and Madison will be among 37 high schools in district track and field competition at Alton May 9-10, it was announced today.

A total of 17 districts will determine the best athletes among 611 high schools. In addition, Chicago schools will conduct their own qualifying meet and advance winners to the state finals May 16-17 at Memorial Stadium, Chicago.

Winners of first and second place in each of 15 district events will go to the state meet along with third, fourth and fifth finishers who meet predetermined standards of time, height or distance.

Thomas relieved in the eighth inning and then struck out the Wic in the ninth, Cougar Dave Weaver singled in the ninth with the bases loaded to win the game an doring his season record to 6-7.

## Credit Union to Host Pocahontas Sunday

Inter-City Baseball League teams will try again Sunday to open their new season, after seeing games halted by rain before being completed last weekend.

The schedule sends Pocahontas to Granite City Steel Credit Union at 2:30 p.m. Sunday at Wilson Park Diamond No. 1; Mercer of Granite City at the same time to East Alton; and Collinsville Mollitor to Maryville.

## Hurier Also a Hitter

Jim Rains of Granite City added power hitting to his mound repertoire with Peru State College, latest reports from the Peru, Neb., school indicate. But his home run into deep right field in a twinbill with Wayne State College still left him a 4-3 loser, his fourth one-run decision in the last two years. It was the first loss of 1969. Rains, who owns two victories.

## Tessary Averaging 74

Terry Tessary, Granite City senior at SIU, Carbondale, is maintaining a 74.5 average fielding percentage as a member of the Saluki golf team which has a 5-3 record.

## GC Wins 5-4 League Game But Bows 1-0

Collinsville beat GCHS 1-0 in a pitching duel Wednesday at Alton Park for the Warrior first Southwestern Conference loss. GCHS had won 5-4 Tuesday at East St. Louis.

The four Warrior infielders acted once more as barrier to contain elusive balls shot their way yesterday, making 1st baseman Jim Becker, 2nd baseman Mike McGovern, shortstop Gary Simpson and 3rd baseman Rick Logan an effective combination. But they needed some scoring to win and didn't get any. In the fourth inning, the Kahoks scored their run on a walk, a hit and a throwing error.

Warrior hurler Steve Harris pitched a fine game (one walk, a hit and a run in the second and three in the third to match the Flyers' one in the first and three in the second.

# Announcing the first car of the '70s at 1969 model prices.

## FORD MAVERICK \$1995\*

(You don't have to read it all—but it's nice to know it's all there.)

Most new cars look like other cars. But when the word gets out that something really different is on the way, rumors run wild. Few cars have caused as much talk as Maverick, Ford's new entry in the small car field rivals the economy imports in price ... but tops them in power, performance, passenger room and luggage capacity. We've been bombarded with questions about Maverick. Now, for the first time, here are the answers.

**Q. Why did you build the Maverick?**

**A.** We think of Maverick as another one of Ford Motor Company's answers to the gold dream. Now Americans who want small car economy don't have to send their U.S. dollars overseas.

**Q. Why did you call it Maverick?**

**A.** You know what a maverick is. A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compact and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW-1500. Nothing else like it.

**Q. Why did you make it this size?**

**A.** Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW-1500. Nothing else like it.

**Q. What do I get for the price?**

**A.** You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric windows. Safety belts. Head restraints. New convenience like armrests, coat hooks, lighted heater controls ... important little things that add so much to your driving comfort.

**Q. What about options?**

**A.** You can get 'em if you want 'em. You can order integral air conditioning. (It's built in, not hung on.) Other options include 3-speed automatic or low-cost semi-automatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this

car. Because it's all there. A complete car all ready to drive home.

**Q. What kind of gas mileage can I get?**

**A.** That depends on you as well as the car. You can get as much as 26 or 28 miles per gallon—if you have an educated eye and the right road conditions. If you have a head feel, or do a lot of city driving, you will get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.

**Q. What kind of power does Maverick have?**

**A.** Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW-1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.

**Q. If it has an eight inch longer wheelbase than the leading import, does it still handle like a hot chick?**

**A.** Maverick can turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a hot chick. It can turn on a dime and give you nine cents change. If you're driving any other American car, you'll find Maverick's neat side adds up to 5 1/2 feet to any parking space.

**Q. Can Detroit really build a small economy car that's tough and long lasting?**

**A.** It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 106,000 miles or nine years; that ought to tell you something about its rugged durability.)

**Q. How about parts and service?**

**A.** Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

**Q. Is Maverick really easier and less expensive to maintain than an economy import?**

**A.** Definitely. Maverick's changes come only every 6,000 miles and chassis lubrication once every

35,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick). These are just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

**Q. Can I do my own maintenance work?**

**A.** Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself. If you wish, you'll find it easy to change spark plugs, replace ignition points ... play many other do-yourself repairs and replacements.

**Q. Can a small car be safe? And how safe is safe?**

**A.** This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight ... power ... stability. Designed for American driving conditions.

**Q. How does Maverick ride?**

**A.** Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's light, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

**Q. Is there an advantage in the fact that Maverick is really a 1970 car?**

**A.** Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. Maverick is built to be a good investment from the minute you buy it to the minute you sell it.

Better make take a look at this one. You'll find it where the action is ... right in there with other great Ford values like specially equipped Ford Galaxie 500's ... Ford Fairlane ... Ford Mustang and Falcons.

You'll find them at your Ford Dealer's ... the place you've got to go to see what's going on.

For an authentic 1975 scale model of the new Ford Maverick, send \$1.00 to Mopac, P.O. Box 5397, Dearborn, MI 48121. (Offer ends July 31, 1969.)

# Gib Georgeff Following in Father's Footsteps as School Sports Star

(The following Blue Springs, Mo., article relates the athletic prowess of a father and son.)

Clayton D. Gilbert Georgeff, 17, started on Granite City high school teams which won many Western Conference honors in the 1945-1947 era. His son has been an outstanding athlete at Blue Springs high school, where Georgeff is vice-principal.

(Gilbert Georgeff is the son of Mr. and Mrs. Thomas Georgeff, 1722 Maple street, Granite City.)

In the early 1950s a 3-year-old boy had the time of his life playing ball with high school boys while his mother taught an art class at Blue Springs high school.

There was no need for a full-time art teacher, since there were only 145 students in the whole 4-year high school. And since his father was the coach, the 3-year-old spent those few hours a day playing ball with the older boys.

Times have changed. The top four grades in R-4 have nearly 800 students; the coach now is vice-principal; the art teacher has retired to housekeeping.

There are several art instructors; and the little boy is 17 years old and an athletic star. Clayton D. Gilbert Georgeff, a junior, completed the basketball season by scoring more points, and with a higher percentage of accuracy than a basketball player in schools three times as large as Blue Springs high.

In 24 games Georgeff scored 450 points with an average percentage of 18.6. His nearest competitor in the area for points is from Raytown high, a school of 2000 students.

Georgeff scored 37 points, a career high, in the last game of the season.

The youth also participates in tennis, golf, and football. In his spare time he takes flying lessons.

But Gib has a long way to go to match the athletic honors won by his father, Gilbert Georgeff, vice-principal of the high school.

When in high school, the elder Georgeff lettered in football, basketball, baseball, and track. He broke the conference record in scoring in Granite City, Ill., in 1946-47. The conference included large schools in the St. Louis area.

Georgeff went to Central Methodist college, Fayette, Mo., where he lettered four years in football and basketball and two years in track and baseball. He was appointed to the Little All-America football team and led the nation in rushing, with an average of 7 1/2 yards a carry.

Georgeff's basketball team won the conference title for two years and played in national tournaments.

The students and faculty voted to retire Georgeff's jersey, No. 22, and to this day the number has not been used again at Central Methodist.

Georgeff came to Blue Springs high in 1952 after a year in Warren, where he was in charge of the physical education of all the boys and girls. He got \$400 extra for coaching basketball, baseball, and girls' softball and directing the school play.

In Blue Springs Georgeff has coached football, boys' and girls' basketball and track. He taught physical education and biology before becoming assistant principal.

# Ed McCauley Camp At Aurora July 13-19

All-American Jo Jo White of Kansas, Jerry Sloan, the backcourt star of the Chicago Bulls, and Harry Schmidt, whose coaching led the University of Illinois back into national prominence, will head the coaching staff at Ed McCauley's Grade School Basketball Camp.

The camp will be conducted at Marmon Military Academy in Aurora from Sunday, July 13, through Saturday, July 19. Boys from youngsters to college seniors are eligible to attend.

The camp is designed to bring to the young player the opportunity to learn the fundamentals of the game of basketball.

It is designed to teach these fundamentals in such a way that the young player will get started with the proper knowledge to continue to practice the right way instead of practicing mistakes during his formative years. It will be an opportunity for youngsters to combine a camping experience (Marmon Academy also has swimming, tennis, baseball and track facilities) with the opportunity to learn from great players.

White was a two-year All-American at Kansas University and is one of the best backcourt men in the game today. He was recently drafted by the Boston Celtics. While at camp, he will be working with the young players on passing, dribbling and ball handling.

Sloan is only his second year as head coach of Illinois but has had his club in the thick of the Big Ten race for most of the year and even moved them into the top ten nationally. He will cover defense with the cameras.

These wishing further information can receive it by writing to: Ed McCauley's Camps, 1455 Reauville drive, St. Louis, Mo. 63122. The tuition, which includes room, board and all instructions, is \$100 for the week. A varied program which will include individual instruction, team competition and tournaments will provide youngsters with a basis for tremendous improvement," McCauley predicts.

# Watts Sets Mark, MHS Speedsters Again Sharp

If it were only possible to run the shot put or run the discus? If success in field events was dependent on swift running, the Madison high school track team might overrun its toughest opponents. It became evident after competition Tuesday at Bethalto.

The Trojans won the track events—Madison 40, Mascoutah 36 and Bethalto 28—but the game is track and field and the overall scores were Bethalto 57, Mascoutah 56, and Madison 47.

Today, MHS will be challenged by Columbia in the Trojans' first home meet.

The winning events for Madison were: 2-mile, Alonso Watts 1st (new school record 11:05); 120 hurdles, Vann Ford 3rd (16:0); 100 d a s h, Edwardo Chandler 2nd (10:4); George Tyus 3rd (10:6); Don Turner tied for 4th; 800 run, Fred Franklin tied for 3rd (2:06:2); 800 relay, Madison 1st, Tyus, Turner, Mosk, Chandler (1:36:3); 400 dash, Tex Holmes 1st (55:2); Dennis Hampton 4th; 180 low hurdles, Vann Ford 1st (20:7); mile run, Dennis Hampton 3rd (5:00); 220 dash, Tyus 1st (23:8); Chandler 3rd; mile relay, Madison 2nd (3:54); shot put, John Harper 4th; high jump, Vann Ford 1st (5' 6").

## Who gets you off to the fastest start?

## We do.

With Thunderbolt, Our Breakers Thunderbolt ignition really socks it to 'em. You get the fastest voltage rise in the marine industry. Thunderbolt delivers up to 40,000 volts to the Polar Gap spark plugs at twenty times the build-up rate on conventional ignition systems. It will fire spark plugs over a wide range of engine rpm and operating conditions than any other ignition system in the marine industry. It keeps plugs clean and strong after hours of trolling. Engine life is greatly extended because of the absence of preignition caused by deposits on conventional spark plugs. And there are no breaker points to burn, adjust, wear, or to go out of timing.

Thunderbolt's first electronic ignition for outboards—is standard on five of our new '69 Mercs ... 50, 65, 80, 100, and 125 hp. One of 'em is bound to get you off to your fastest start yet. Come in and talk it over.

## Trespassers on Private Lakes to Be Prosecuted

Horseshoe Lake, Long Lake and other bodies of water in Madison county are privately owned and trespassers are subject to arrest and prosecution, Don Hastings, county conservation officer, warned today.

Permission to fish or hunt in any sections of the lake must be obtained from the owners, he stressed, adding that permission by one owner does not give the right to trespass on land or water property rights of a neighbor or any other owner.

He noted that Horseshoe Lake, as well as Long Lake, are owned in various sized parcels by different owners.

At this time, neither the state nor federal governments have acquired any a of Horseshoe Lake as a public recreation or conservation area, so "there can be no hunting, no fishing, no boating or trespassing of any kind without the express permission of the tenant or owner who has control of the particular section of the lake you wish to use."

### Two Private Clubs

He said two private clubs on Horseshoe Lake are open to an extent to public use. The Horseshoe Lake Rod & Gun club on Layton road off Bend road. It is a private club which leases a part of the lake, and is strictly for use by members and their guests.

On the opposite side of the lake is the Horseshoe Lake Boating & Skiing club, which also leases part of the lake for use by its members. Boat launching and running permission is granted on a day-to-day basis to the public for a fee, but it is important that the exact boundaries of their water is determined, he said.

Many of the owners either fish commercially themselves or lease fishing rights to others, Hastings said.

In the past week there has been considerable damage done to commercial fishing gear by persons who had no right to

use the various parts of the lake, he added.

### Theft, Vandalism

Some vandalism is done for purposes of theft and some is accidents caused by boat motors running where they should not, Hastings said.

At Long Lake, many of the owners on either side have water rights to the middle of the lake, while some own property on both sides. To use both sides of the lake, it is legally necessary to obtain permission from all owners concerned, the conservation officer explained.

He continued that certain owners at Long Lake have granted permission for rough fish to be netted from their portion of the lake, but the netting operation could only be conducted on portions of the lake as stipulated, and not at other portions.

Large creeks in the county also have become a problem, Hastings said, as they are privately owned except where they are crossed by state or county bridges. The large Silver Creek was cited as an example.

### Fishing Licenses

Hastings said he has made a number of fishing license arrests this month. He advised fishermen to obtain the licenses first.

To fish anywhere in Illinois, except upon property on which the person resides, a valid state fishing license is required except for those under the age of 16, he said. Private and fee lakes are included.

He noted that the minimum fine for fishing without a license is \$10 plus \$10 costs, and that the best reason for obtaining a license is to help support the conservation programs in Illinois.

### Survey of Pollution

Hastings also commented that he is making a survey of sources of pollution in the county. If you know of any, why not let me know about it, anonymously or otherwise. "I am aware of most of them but am sure there are some that I have missed. This is just part of the overall pollution battle that the Conservation Department is interested. Everyone should be watching and ready to help."

## Trackmen Continue Streak Since 1967, Win in Triangular

On Tuesday at Wood River, the track results were: Granite City 62 points, Collinsville 56 and Wood River 41.

The Warrior trackmen's statistics dating back two years now resemble an old TV rerun of "Superman."

The GCIS "Superman" don't really fly, but they always defeat their foes, at least for the past 16 consecutive dual and triangular meets. To steadily win since 1967 is considered a long time for any "show" to run.

Next year the show will lose its producer, Coach Jim Morrison, and four seniors, but it otherwise will remain intact.

Starring on the bill Tuesday were: 2 mile, Rich Rose 1st (new school record 10:12.3); Dan Burris 4th; 120 high hurdles, Mike Allen 1st (14.9 to the school record); Mark Twietmeyer 3rd; 100 dash, Jim Jones 1st (10.2); Mark Lakatos 4th; 880 run, Jim McDuffy 1st (2:03); John Frazier 2nd (2:02.5); 800 relay, Dennis Gillie, Mark Lakatos, Don Smith, Jim Jones 1st (1:34.1); Quarter mile, Ralph Rojas 3rd, Bob Zaruba 4th; mile, John Winfield 4th; 220 dash, Jim Jones 1st (23.0); Dennis Gillie 4th; mile relay, Mike Allen, Ken Ellis, John Frazier and Jim McDuffy 1st (3:33); discus, Larry Miller 4th; pole vault, Mark Twietmeyer 2nd (10'9") and high jump, Don Smith 1st (5'10").

## Fishing Line Mechanically Installed

For those who prefer to have their fishing line installed in a factory-like method for smoother and longer casts, the service is now available at Surplus Store in downtown Granite City. The machine by Garcia Corp. is able to cross-wind line on any brand spinning, spin-cast, or casting reel and under proper tension. A choice of Garcia Bonnyl, Shakespeare #700 and Trilene spin lines, and Shakespeare Professional casting line, in any pound test desired, is available, and the customer pays only for the amount of line that is used. Old line will be removed from the spool and new line installed in a matter of a few minutes. ADV.

## Coolidge Thinclads Conquer Bethalto, Break Four Records

When hosting on Tuesday, Coolidge trackmen from all divisions collected a cool 246 points to beat Trimpe of Bethalto's 88 points.

Scores for the 8th grade divisions were: Coolidge 71, Trimpe 37. Top performers for Coolidge were: Dennis Revelle, 100 dash (tie school record of 11.2) and 220 dash; Steve Ash, 440 dash; 880 run; Brad Hills, discus; and the 880 relay team of Gary Hopper, Rich Gouy, Dennis Revelle and Gary Asadorian, which set a new school record of 1:43.2.

Seventh grade divisions results were: Coolidge 91, Bethalto 17.

Outstanding performers for Coolidge: Walt Milton, 880 run (new school record of 2:35); Dale Wilson, 220 dash (new school record of 26.7); 100 dash, long jump, 880 relay; Ted Geggus, 120 yard low and high hurdles, high jump and 880 relay; and mile relay, Walt Milton, Dave Groupe, Kevin Hodge and Terry Hollis (new school record of 4:34.2).

For the 9th grade division, it was Coolidge 94, Trimpe 34. An individual standout was Jim Childers, 220 dash and 440 dash.

Warrior golfers won a close match Wednesday, playing at Assumption's Fairmont course. It was GCIS 152, Assumption 155.

The lowest four scores counted toward the team score. Individual Warrior scores on the par-43 course were: Tim Schwendeman 38, Dave Rowland 36, Larry Knox 39, Tom Schwager 41, Earl Anderson 41.

Tom Niebur 43 and Steve Brown, 45.

## Fastball Pitcher Fogs Sphere Past MHS, 5-1

Trojan batmen are having another slow starting season similar to last year. Before the Tuesday game on the rain-soaked Madison field, Dupo Tigger pitcher Mike Duchant commented with a worried smile, "I hope my fast ball moves."

It did, and Dupo won 5-1, giving Duchant a season record of 3-0.

Madison coach Larry Burns has made considerable changes in the lineup, calculating the changes to promote more hitting. Results from the new lineup were meager, but a long no-run innings streak was broken.

## Exam April 21 for Baseball Officials

## Carroll Instructor On Home Gun Safety

Robert L. Carroll of Granite City has been appointed a home firearms safety instructor by the National Rifle Association, sponsor of a course designed to help reduce shooting accidents in the home.

The NRA course is designed to promote safety among those who normally do not use firearms for recreation or hunting, but are exposed to guns in their home. It emphasizes the recognition of unsafe practices and hazardous conditions in the home and demonstrates how to correct individual situations.

Carroll was awarded an NRA instructor's certificate following successful completion of a written examination. He is qualified to conduct the course on a local level.

The home firearms course supplements the NRA's nationwide hunter safety course, which has been instrumental in reducing accidents in the field.

## Grigsby Wins 2 of 3 Track Divisions

Grigsby, in a Tuesday triangular track meet at Webster of Collinsville, finished first in the 7th and 8th grade divisions but third in the 9th grade division.

Seventh grade scores were: Grigsby 81½, and Webster 31½; eighth grade, Grigsby 74, Edwardsville 32½, Webster 30½.

Best Grigsby individual winning efforts in the eighth grade division were by Willy Arnold, 220 dash and high jump, and Rusty Mefford, hurdles, 100 dash and discus.

Ninth grade results were: Edwardsville 67, Webster 55 and Grigsby 16.

## Clean Air Grant

Prof. Hoelscher's place during his vacation this summer. Bieniecki noted that this item, like most of the board's current operations, must await the outcome of city budget decisions.

A scheduled report on the red oxide dust problem at Granite City Steel Co. was delayed pending compilation of additional information by Prof. Hoelscher. Bieniecki said the board needs to acquire a wind directional instrument to replace one removed by the state from its trailer sampling station, but that this item also must await action on the budget.

## Controller Named At Hospital

Employment of a controller for St. Elizabeth Hospital was announced today by Sister Mary Thomas, administrator, who said the new staff member is Francis J. McGinnis, who will begin his duties next Monday.

McGinnis presently resides in East St. Louis with his wife and their five children. He will be in charge of hospital budgeting and budgetary control, cash management, capital expenditures, cost reduction, internal control and auditing. He also will handle inter-departmental paperwork systems, procedures, rate setting and provide general financial advice.

He has previous experience as controller with a Belleville real estate and construction firm and most recently as controller of the Economic Opportunity Commission of St. Clair County.

McGinnis is a native of Atlantic City, N. J., and received his Bachelor of Science Degree in Commerce with a major in accounting from St. Louis University in January 1969.

## Slight Population Gain is Estimated for Granite City

A slight population gain in Granite City was announced yesterday by the American Statistical Association, St. Louis chapter, in making a population estimate for the two-state metropolitan area of 2,400,000 persons.

The Granite City population was set at 40,000, up slightly from the special 1967 census of 39,868, but down from the 1960 regular census of 40,100.

The population for Madison county was estimated 254,000, a gain of 29,300, which was below the average for the area.

The 2,460,000 population for the two-state area represented a gain of 16.9% since the 1960 census. The area includes Madison and St. Clair counties in Illinois and the city of St. Louis and St. Louis, Jefferson, St. Charles and Franklin counties in Missouri.

In Madison county the population of Alton was estimated at 48,500, up 5500 since 1960 and Collinsville is estimated to have gained 2800 for a population of 17,000.

The population of St. Clair county is estimated at 295,000 persons, an increase of 32,500. East St. Louis population was estimated at 74,500, a drop of 7200 from 1960.

## Concerns Council to Discuss Unmet Needs

A program designed to involve a wide variety of community representatives in efforts to uncover unmet needs in the immediate area will be the topic of the Quad-Cities Social Concerns Council at its regular meeting at 1 p.m. Wednesday in the Fellowship Hall of the First United Presbyterian Church.

Marvin Van Metre, council president, said a presentation will be made followed by those present dividing into small buzz groups for discussion purposes and correlation of ideas.

Civic, Service, cultural and fraternal organizations are being asked to send representatives to the meeting, he noted. Agency staff members who form the Social Concerns Council also are requested to bring a lay person with them to next week's special program, Van Metre added.

### Two Traffic Arrests

Charges of driving without valid registrations were filed at 11 a.m. Wednesday against Thomas R. Wood, 620 McCormick avenue, Madison, at 12th and Meridian streets, and against Patrick Henry Bolin, 2219 Fourteenth street, at 14th and Meridian streets.

### Sugar Poured in Tank

## Dance Workshop Will Feature Ruth Page Sunday

Ruth Page, director of both the Chicago Opera Ballet and the Lyric Opera of Chicago, will be featured in a dance workshop to be given by the Prelude Civic Ballet at Southern Illinois University-Southwestern campus Sunday.

Also to be featured on the program are Gus Giordano of Chicago, dancer, instructor and choreographer, and Al Wiltz III, dance instructor at SIU-SW. Wiltz is a member of the Prelude Civic Ballet board.

Registration for the senior and junior sessions will begin at noon. Students 10 through 12 years of age may enroll for junior sessions at a fee of \$8, while students 14 and up will pay a \$10 registration fee. The observer fee will be \$1.50.

Reservations may be made by writing PO Box 151, Edwardsville 62025, or by calling 686-9442.

Giordano, a native of Indianapolis, was discovered by Pavlova and introduced in Chicago and London by Adolph Bolm. She was leading dancer in Irving Berlin's Music Box Revue on Broadway and for two seasons was premiere danseuse of the Metropolitan Opera, the first American to be so honored.

Giordano is known in Chicago for his choreography of industrial film shows, commercials, Northwestern University's Waa-Mu review and the Federation Fashionplate. He has his own studio in Evanston.

Wiltz came to SIU-SW last fall. He has a master's degree in choreography and dance performance. He has choreographed 21 musical comedies and performed in many concerts and musical productions.

## New Highway Taxes Urged; Ogilvie to Meet Cervantes

A new highway tax program spearheaded by a proposal for a 2.5-cent increase in the gasoline tax and plans for a meeting between St. Louis and the Illinois side of the river.

Ogilvie has indicated that he intends doing everything possible to bring a secondary metropolitan airport to the Illinois area. He also plans a meeting with Gov. Warren E. Hearnes of Missouri, but this session is not expected to be arranged until the legislatures of both states have ended their current sessions.

He also has expressed hope that Illinois will adopt more stringent regulations for air pollution control and has indicated he plans a restructuring of the Illinois Air Pollution Control Board. Meetings between Gov. Hearnes and former Illinois Gov. Otto Kerner were scheduled for last week when they could not agree on adopting similar air pollution controls.

### New Tire Taxes

Other major recommendations include an increase of 3.5 cents a gallon on diesel fuel, new taxes on tires, tubes and tread rubber, a 10-cent per quart tax on anti-freeze, and an increase in auto license fees to a minimum of \$20 for cars of less than 35 horsepower and \$30 for larger cars.

Reimposition of higher truck taxes adopted in 1951 and repealed in part in 1953 also was urged along with creation of a Highway Trust Authority to issue road construction bonds of \$250 million annually for 10 years.

Gov. Ogilvie and Mayor Cervantes in a meeting soon, but for which a date still is to be set, are expected to discuss primarily proposals for establishment of a second major metropolitan airport and revised air pollution control measures. It is believed to be the first time that an Illinois governor and a St. Louis mayor have scheduled a meeting to discuss cooperation between St. Louis and the Illinois side of the river.

## Further Rise in Employment Due, IES Report Says

Continued increases in Quad-City area employment during the remainder of this month and through May were projected today in a report by the Illinois Employment Service showing that March employment levels were well above those of the same month a year ago.

Employment in 61 reporting industrial and business firms during March also was increased over the work staffs of the same firms since January, the report said.

A total of 16,765 persons were employed in March in the 61 reporting firms, an increase of 473 persons over the work force of March 1968. The total employees in the same firm by the end of May are expected to reach 17,453, or an increase of 688 employees over last month's total, according to the report.

But the March employment as well as most of the projected increase is reported in the manufacturing industries where employment is expected to increase from 12,210 workers in March to 12,741 employees by the end of May. The non-manufacturing class 4555 workers were reported last month. The number of workers reported for May shows an expected increase of 472.

The non-manufacturing group was the only category to show an employment drop between January and March. A total of 468 employees were reported in January, but the March figures in January. This figure dropped to 455 for March.

The Webster PTA elected 1969-70 officers at its April meeting Monday evening.

Mrs. Mae Lee, president, presided and the audience was led in the pledge of allegiance and singing of "America" by Diane Harris and Brownie Troop 198 under the leadership of Mrs. Betty Van Gilder.

Principal Clyde Lee offered the PTA prayer and Miss Emma Sue Rose's fifth grade class was attendance honors. Mrs. Alene Moore gave a final report on the "helping hand" program and Mrs. Carmen Grider reported on the annual school picnic May 15 at Wilson Park.

A room mothers' meeting will be held at the school at 1 p.m. April 29 to discuss picnic plans.

Those elected were: Mrs. Anneetta S. Cum, president; Mrs. Alene Moore, vice-president; Mrs. Eva Arboast, secretary; and Mrs. Valara Schorfield, treasurer.

Mrs. Lee announced that the next PTA meeting has been changed to May 19, at which time the new officers will be installed.

Mrs. Jo Ross displayed pictures purchased by the PTA to be placed in the school halls. She also reported purchase of an office machine, bought jointly by the PTA and a school fund.

The vice-president, Mrs. Betty Woodruff, introduced Dale Rea, assistant to the superintendent, who led a panel discussion on the Title I federal program. The panel area includes Webster, Emerson, Washington and Logan schools, with instruction financed by the U.S. and administered by the school board.

Remedial reading, pre-school, nursing and counseling services are provided. Mrs. Myra Blades spoke on the reading program and offered suggestions on how to instruct a child in the way to view television and to hold a book.

Mrs. Ruth Jensen explained how pre-school classes help a child learn self-control, responsibility, creativity and daily routine. She stressed the use of training films in classrooms.

Mrs. Marlene Donoff informed the parents of eye and muscle exercise and throat cultures.

BETROTHED, Miss Doris Jean Stewart, who will be married to Robert S. Strong.

## Engagement Is Announced

Mrs. and Mrs. Orris Stewart, 2449 Bryan avenue, are announcing the engagement of their daughter, Miss Doris Jean Stewart, to Robert S. Strong, a son of Mr. and Mrs. Robert Strong, 2900 Old Mayfield road, Paducah, Ky.

The bride-to-be is a senior student at Granite City high school. Her fiancé is attending high school in Paducah. A fall wedding is planned.

Miss Loretta Wollbright told how the counseling is used to solve problems at home and at school and to stimulate readiness for kindergarten.

A question period followed. Refreshments were served by fourth grade room mothers.

## Brownie Revel At Park May 10

Mrs. Jo Ann Dix, general chairman for a "Brownie revel," held an organizational meeting in her home, 2448 Delmar avenue, Monday to make decorations, autograph books and name tags and to discuss arrangements for the Neighborhood Three event. It will be held at Wilson Park from 9:30 a.m. to 3:30 p.m. May 10.

The annual program will attract about 175 Brownie scouts from Niedringhaus, Sacred Heart, Webster and Marshall schools. The cost per girl is 50 cents and the fee must be accompanied by a signed permission slip.

A "ship" of surprises has been planned for the scouts. A pirate theme will be used, with activities including a treasure hunt, and the entertainment will be in keeping with this theme.

Troops will assemble with their leaders at the park flagpole at 27th and Delmar avenue for a flag-raising and then will go to Wilson Park Shelter Five to begin the day.

Mrs. Betty Van Gilder, leader of Brownie Troop 198 of Webster school, announced that Burger Chef in Madison will provide hamburgers, French fries and malted milk for the noon meal.

Other representatives present were Mrs. Carol Cottrell and Mrs. Charlotte Fuller, Marshall school; Mrs. Van Gilder and Mrs. Anita Moody, Webster; and Mrs. Audrey Speirs, Mrs. Beth Caffrey and Mrs. Jeanette Holder, Niedringhaus. A meeting for final arrangements will be held later this month.

## SPECIAL EDUCATION MEETING SATURDAY

The Parents Committee for Special Education will meet Saturday at 7:30 p.m. at St. John United Church of Christ on Nameoki road.

A panel discussion will be held, with representatives to be present from the mental health clinic, YMCA, Association for Retarded, park district and director of special education.

Also to be present are the superintendent and an assistant superintendent of Madison county schools. The public is invited to attend.

STATE SENATOR CANDIDATE, Dr. Merrill Ottwein (center), with Miss Rosemary Kabureck and Roy Lynn at a tea given in his honor.

## Wills Explained At Frohardt PTA

Wills were the topic of a Frohardt PTA meeting Tuesday. Principal Lee Reid, president, called meeting to order and Boy Scout Troop 22 presented the colors, leading the pledge of allegiance to the flag.

Reid read the PTA prayer and Mary Mary Fehrman introduced Attorney Phillip Theis, who spoke on the "Importance of Having a Will." A group discussion followed. Typical wills, and inheritance tax schedules were displayed.

Reports were given and a letter requesting a representative to the General Assembly at Springfield Tuesday, May 13.

Miss Winifred Elkins' second grade room won attendance honors.

A PTA family skating party is to be held May 5 at the Stardust rink from 6:30 to 8:30 p.m.

The school picnic will be held Monday, May 12.

Installation of officers and a film of the Shriners Hospital and Burn Center will be featured May 20. The new officers are: president, Mrs. Mary Fehrman; vice-president, Don Hayes; secretary, Mrs. Sarah Metcalf; and treasurer, Pete Stieb.

First grade room mothers served refreshments.

## League Tea for Dr. Ottwein

A tea honoring Dr. Merrill "Joe" Ottwein, candidate for state senator in the 53rd District special election April 29, was held this week at the YMCA by the Republican Women's Service League with 80 persons in attendance.

Talks supporting Dr. Ottwein's candidacy were made by Roy Lynn and Howard Kaseberg, and the candidate spoke briefly. Among the guests were Mrs. Ottwein and Mrs. James Deeren, a sister of the candidate.

Presiding at the tea table were Mesdames Edna Lynn, Ruth Kabureck and Peggy Sykes and Miss Mabel Stewart.

Other members of the service league assisting were Mesdames Lily Chabouds, Peggy Dickey, Pat Hemby, Jane Reese, Lillie Firmer, Reyth Stallings, Imogene Best and Miss Rosemary Kabureck.

## Student to be Honored

Alphonse J. Pranaitis, a son of Mrs. Mary Pranaitis, 2114 Washington avenue, will be among the students at the University of Illinois to be honored in recognition of excellence in scholarship at the Honors Day convocation May 2. Pranaitis is a third year student.

Guests were Mesdames Lenore McDonald, Margaret Lee, Laura Fichte, Carol Bucha, Alice Vigna, Mary Cox, Edna Soechting, Leo Kalips, Robert Hilker, Shirley Watkins, Billie Boswell, Mary C. Heagy and Sister Mary George.

The tables were adorned with fresh floral centerpieces.

## FUTURE SLENDERETTES REVISE CLUB BYLAWS

Mrs. Janet Davis was crowned queen of the week as the Tops Future Slenderettes of the national Take Off Pounds Sensibility organization met Tuesday evening at the East Side Levee and Sanitary district building.

Mrs. Villa Ridings, leader, led the members in reciting the Tops pledge. Weights were recorded by Mrs. Christine Ersamer. Mrs. Pat Wickman called the roll, with penalties given for gains and weight pledges made for the coming week.

A special meeting was held to revise club bylaws. They will be presented to the club.

Mrs. Shirley Lane reported on a trip to Peoria over the weekend. Three members attended "A're a Recognition Day." New songs were learned there and a baggy dress parade was held.

Mrs. Nina Eads prepared a low calorie salad which the members tasted. Others present included Mesdames Dorothy Luckert and Helen DeRuntz.

## Brief Session For Nameoki Twp.

At a brief meeting of the Nameoki town board which lasted less than 15 minutes Tuesday evening, the only items of business were approval of bills and authorization to file an audit report of town funds with the state auditor of public accounts.

Bills approved totaled \$1238, and included payments of \$121, MacLair Asphalt Co., East St. Louis; \$325, George Naylor, St. Louis, audit of township accounts; \$51, Madison Furnace Co., repairs; \$452, Zalar and Daily, Springfield, audit for tax collector; and \$68, Collinsville Herald, publishing annual report.

The meeting was the final session for Town Auditors Herbert Polley, Robert Strackie and William G. Schreiber and Town Clerk John Karielchik. With exception of Schreiber, who did not seek re-election, all other incumbents were defeated in the April 1 township election.

Present in the audience at Tuesday's meeting were new township officials — Louis Whitsell, clerk, Edgar A. Patrick, tax collector, and auditors, Kenneth Gieson, Robert Beedle Jr. and Douglas Teeter. Joseph Cohan, township assessor, the only incumbent retained in the recent election also attended.

Nameoki Supervisor Harry Briggs presided and announced he will call a meeting of the new township officials, probably next week. The group was sworn in April 5.

A brief discussion ensued following a report that a bill calling for a study of a hillside drainage program for Madison and St. Clair counties was introduced Monday in the Illinois House of Representatives.

The bill authorized the Illinois Division of Waterways to investigate and devise a plan for local participation in a federal project for drainage and flood control in the two-county area. Nameoki township lies within the area included in the study.

## Boosters' Ozark Opry Show May 4 at GCHS

The Ozark Opry presentation, sponsored by the Boosters of the Fighting Warriors, will include two shows on Sunday, May 4, in the auditorium at Granite City high school. It was announced this week by Emerald Dawes, Booster president, who said performances will be given at 2 and 8 p.m.

Final plans for the benefit event were completed at a Boosters' meeting Tuesday evening at Grigsby junior high school. Following the business meeting, Gale Garbe, GCHS head baseball coach, discussed prospects for the current season.

Tickets for the Lee Mace Ozark Opry are available in advance, at a cost of \$1.50 for adults and \$1 for high-school-age students. Dawes said, they may be purchased at Graham's book store; Gil's department store, Bellefonte Village shopping center; Truller's Boys and Mens Wear; Nameoki Village shopping center; and Maryland Bi-Rite Market on Pontoon road.

Proceeds from the country-western variety shows will be used to aid athletic programs at Granite City high school. Primary purpose of the Booster organization is to encourage and support all athletic activities at the local high school.

## Rising Sons Among Top Ten in Battle of Bands

The Rising Sons, local rock-and-roll band, placed among the top 10 bands from the state at the Illinois Jaycees Battle of the Bands contest held at Harvey.

The band missed playing in the finals by only a few points, but it was handicapped as Jim Harper, bass guitar player, was ruled ineligible because of national rules.

About a dozen local fans cheered the band on as the group, led by Chris Hamilton, carried on with a man short. Other band members were Gene Hudson, Gary Holland and Jim Simpson.

Accompanying the band were Dr. Robert E. Schmidt, chairman, and Donn Hornberger of the Granite City Jaycees. Most of the band's expenses were paid by the Jaycees.

## Two Fined for Conduct

Gregory T. Argent 18, of 3606 Ruth drive, and Thomas John Papp Jr., 19, of 2528 Pine street, were fined \$30 each Tuesday afternoon after pleading guilty to disorderly conduct charges in magistrate's court. They were arrested at 12:40 a.m. Tuesday at 2700 Center street.

## Mrs. Amy Zibert, 66, Found Dead at Home

Mrs. Amy Zibert, 66, of 4032 Rode avenue, was found lying on her back in the basement of her home by her brother, Samuel Carson, when he returned home from work shortly before 9 p.m. yesterday. She held a .25 caliber automatic in her right hand and it appeared she shot herself through the mouth, a police report states.

Lying next to her was a dead dog, which Mrs. Zibert apparently shot first. The animal was partially covered with a blanket. Three spent shell casings were found in the basement. The weapon was owned by Carson, he told police.

Mrs. Zibert was pronounced dead at the scene by Madison County Coroner Robert H. Thomas, who was summoned to the residence by police. Thomas said there were no notes. An inquest is pending.

A resident here the past five years, Mrs. Zibert lived with her daughter, Miss Ima Jean Zibert and her brother. She was a native of Petoskey, Mich., and a retired member of the Ladies Garment Workers Union. Her husband, Martin Zibert, died in 1960.

Beside her daughter and brother here, Mrs. Zibert was survived by two other brothers, George Carson of Sperry, Okla., and Frank Carson of California; and three sisters, Mrs. Leona Walton of Alameda, Calif., Mrs. Dora Shaull of Kansas City, Mo., and Mrs. Elsie Holtz of California. Funeral arrangements are given in the obituary column.

## Women's Division Hears Beautification Plans

Professional services available from a planning firm to help beautify the Quad-Cities were described Monday evening to members of the Women's Division of the Tri-Cities Chamber of Commerce during the group's second organizational meeting.

The dinner session was held at Tony's restaurant, with 45 attending.

Dr. Felicia D. Koch, who is spearheading the formation of the Chamber's Women's Division, presided and announced that a \$1000 donation had been contributed by C. E. Townsend, publisher of the Granite City Press-Record, to aid in establishing the beautification program and help get projects under way.

The local physician intro-

duced Malcolm Drummond of Harian Bartholomew and Associates, St. Louis planning firm, who detailed various steps to be initiated in a community-wide program such as proposed by Chamber members.

Three specific sites were selected for initial beautification efforts—an area along the stormwater drainage channel adjacent to East 23rd street, on Sixth street near the Madison post office and at Second street and Broadway, Venice.

Dr. Koch noted, however, that members will be asked to develop long-range proposals to beautify a corridor through the Quad-Cities, starting at the McKinley Bridge in Venice, along Broadway, Madison avenue and continuing along Nameoki road to its point of intersection with Interstate 70.

In addition to enhancing various sections of the Quad-Cities, the corridor-throughfare beautification project will help tie the four community areas together, Dr. Koch noted. She pointed out that a general chairman for the beautification program will be announced shortly.

Appointed to head committees in the new Women's Division at Monday's meeting were Miss Dorothy Davis, Illinois Power Co., nominating committee; Mrs. Howard Kasberg, Lakewood Farm, annual meeting committee, to work in conjunction with Chamber officers; Mrs. Jo Meyer, Illinois Power Co., by-laws committee; and Mrs. Billy H. Terrell of the Terrell Agency, to serve as co-chairman with her husband of the C. of C.'s annual membership drive, slated to start June 4.

Several women volunteered to serve on the various committees established, it was reported.

## B&PW Presents Leader Awards

The Granite City Business and Professional Women's Club met at the Rose Bowl last night for a smorgasbord dinner.

The theme of the meeting was "Know your legislators" and the speaker was Attorney Irvin C. Slate who enlightened the club on legislation and taxation. A question and answer period followed the talk. "Law and Order" in the community and the country was also discussed by Slate.

Mrs. Winifred Costello, 2331 Winters drive, was chosen "Woman of the Month." A resident of Granite City for 52 years, Mrs. Costello became a member of the Club in 1939 and has served as first and second vice-president and held the office of president from 1949 until 1960.

Another highlight of the evening was Community Leadership awards given to the leaders of organizations in the area headed by Mrs. Dolores Allen, who presented the awards to Clifford Blankenship, president of the Tri-Cities Chamber of Commerce; Mrs. Ruby Parker, immediate past president of the Elkettes; Mrs. Betty Davis, president of the Granite City branch of the National Secretary's Association.

Mrs. Marie Hampton, president of the Cleaners Association of the Tri-Cities; William Harris, YMCA president; Orville Ganz, president of the Protestant Welfare Association; Mrs. Wilma Edgington, president of the Granite City Junior Service Club.

Mrs. Virginia John, president of the Noonday Opti-Mrs. Club; Mrs. Jean Vogle, president of the Madison Junior Service Club; Michael Thomas, Kiwanis Club president; Atty. Lance Call, president of the Bar Association; and Stanley Coleman, president of the Elite Hairdressers Association.

The program committee was headed by Mrs. Opal Duval, and Miss Hetty Sheppard, assisted by Lillian Burgess, Dorothy Nenninger, Verna Lengyel and Jemma Jachino.

## Founders Day Party Planned

Reservations have been made by members of Iota Psi chapter of Beta Sigma Phi for the Founders Day party of the sorority and plans were made last night for the annual Mother's day party May 21.

The meeting was held in the home of Mrs. Shirley Dietrich with Mrs. Jo Ann Kalert, president, in charge.

Mrs. Marty Herman was appointed to represent the sorority in a meeting of the Quad-City Social Concerns Council next week at First United Presbyterian Church.

Mrs. Marilyn Harris and Mrs. Jane Davis distributed instructions for making coal plants, and Mrs. Joyce Cory discussed antique glassware and displayed antique pitchers owned by her aunt, Mrs. Dorothy Talley.

A dessert course was served by the hostess to those mentioned and to Mrs. Ursula Lackey, Mrs. Carol Cathy, Mrs. Pat Winters, Mrs. Sally Siegelmeier, Mrs. Pat Takajian and Mrs. Barbara Painter.

The next chapter meeting will be with Mrs. Kalert May 7.

## Marshall PTA Elects Officers

Officers were elected for the 1968-70 year by the Marshall school PTA Tuesday evening. The April meeting was held at the school.

Chosen were: Melford Dutton, president; Mrs. Patti Lynn, vice-president; Miss Joyce Lindsay, secretary; and Mrs. Verla Kidman, treasurer.

Mrs. Marilyn Smith, president, called the meeting to order as the PTA prayer was read. Mrs. Lynn presented a secretarial report, with Mrs. Kidman giving a financial report.

A report was given by Mrs. Lynn on the success of the mothers' effort on "Heart Sunday," \$261 was collected at homes and \$58 at the school.

Mrs. Robert Warner will serve as chairman of the school picnic May 23 at Wilson Park.

Mrs. Vivian Davis reported on the sixth grade field trip May 27 to the Natural Science Building in Clayton and the Planetarium in Forest Park.

A motion was approved to finance "presidential physical fitness badges."

The program for the evening was an American Cancer Society film, "Who, Me?"

A talk was given by Mrs. Ruth Wilderman, area executive director, assisted by Mrs. Harriet Horn, Madison county service chairman. They displayed different types of cancer bandages used by patients.

A discussion period followed. Miss Eleanor Waddington's first grade room was a prize for the largest percentage of parents present.

The nominating committee this year consisted of Mrs. Vivian Davis, Miss Joyce Lindsay and Miss Joan Duke. Officers elected will be installed at the May meeting.

Refreshments were served by kindergarten room mothers. Mrs. Ann Osborn, hospitality chairman, decorated the cafeteria in a spring theme, ar-

## Student Guest Night is Held

The annual student guest night of the Evening Etude Music Club was held last night at Nameoki United Methodist Church.

The purpose of the program was to encourage young musicians in the area to perform in public.

Among those taking part were Karen Zimmer, a piano selection; Bill Simpkins, classical guitar; Marilyn Bess, piano; a girls flute quartet composed of Jenna Dale, Carol Cotter, Donna Malecar and Jackie Jensen; Debbie Hightower, vocalist, two selections, accompanied by Mark Freedman.

ranging large umbrellas on the tables for "April showers bring May flowers" motif. Pastel colors prevailed.

The next meeting will be May 20 at 7 p.m., a half-hour earlier than usual. Richard Wood and Ralph Parmley will be in charge of the program, showing work of the police dogs used by the Granite City police department.

Refreshments were served by kindergarten room mothers. Mrs. Ann Osborn, hospitality chairman, decorated the cafeteria in a spring theme, ar-

## Parking Lot Damage

A parked car owned by Paul Bargiel of 84 Greiner Homes, Madison, was damaged on the Greiner Homes parking lot at 7:30 p.m. yesterday by a car owned by Berneva Gordon, 35 contributed by C. E. Townsend, Madison officers said they were told that the Gordon car was found against the Bargiel car, which had been parked earlier directly across the parking lot from where Gordon's car was parked.

## Three Rador Arrests

Three drivers were ticketed for speeding charges this morning as traffic division police operated a radar unit at 2500 and 2600 Madison avenue. Issued tickets were David R. Walborn, 2408 Dale avenue; Kenneth L. Scott, 2001 Edison avenue, and James A. Somray, 2521 Madison avenue.

SECRETARIES WEEK proclamation being signed by Mayor Donald Partney, of Granite City. Seated beside the mayor is Miss Twila Edmonds, a member of the Secretaries' Week committee. Standing, left to right are—Mayors Steve Meeras of Madison and John E. Lee of Venice.

## National Secretaries Week Observance Next Week

The Tri-Cities Chapter of the National Secretaries Association will be joining with more than 600 other NSA chapters throughout the country in observing Secretaries Week beginning Sunday, April 20, and concluding Saturday, April 26. The members of the local chapter will attend church services this year at 9:15 a.m. Sunday at St. Bartholomew's Episcopal Church. The service will be followed by a brunch at the home of Miss Jane Davis. Mrs. Jeannette Elliott, the widely known "Mad Hatter," will be the speaker at the Secretaries Week banquet at 6:30 Monday evening at the Granite City Army Depot Officers Club, when the winner of the "Secretary of the Year/Award" will be announced. The public is invited to attend the banquet and reservations may be made with Mrs. Helen Giesemann, chairman, at 452-8110. Afternoon.

## NEW BROWNIES ARE WELCOMED BY TROOP

Brownie Troop 476 of Niederrhousen PTA met at the school Tuesday with the leader, Mrs. Joan Dix, assisted by Mrs. Jeannette Holder, Mrs. Virginia Curtis, Mrs. Barbara Schreiber and Mrs. Agnes Butler.

Fourteen new Brownies were introduced—Linda Bell, Jackie Bogosian, Stephanie Brandt, Mizzi Daniel, Elizabeth Dehn, Dava Gibson, June Hutchings, Lori Jones, Lydia Kachigian, Janet Lewis, Karlene Powell, Sandra Schreiber, Susan Seilheimer and Sandy Thompson.

A flag ceremony, with Renee Sharp as caller, opened the meeting. Present scouts answered roll call with story book titles, while the new group answered with colors.

A get-acquainted circle game was played and Sandy Schreiber was elected treasurer to serve until an investiture ceremony in May.

Mrs. Dix reviewed the "review" May 10.

Present scouts continued sewing lessons in embroidery and French knots. A prize will be awarded for the best quilt block.

Newly enrolled girls made cookies which were served later to the troop during a social hour. The meeting ended with a magic tunnel.

Others present were Patti Cook, Lisa Curtis, Julie Daniel, Terri Deterding, Diane Dix, Elizabeth Eck, Debbie Fickler, Karen Gorrell, Linda Holder, Kathy Kozayk, Donna Lathrop, Karen Lawrence, Laura Leek, Jane Matosian, Paula Milton, Brenda Rutledge, Becky Sage, Renee Sharp, Lisa Shelton, Cathy Shemionia, Lori Staci, Mandie Walker and Kathy Walker.

## Pot Luck Dinner At Anchorage

The Anchorage Senior Citizens and several guests enjoyed a noon pot luck dinner Wednesday in the recreation room of the project. Approximately 70 were present.

Plans were made for entertainment by the Salvation Army Monday evening and for a birthday party April 23.

Games were arranged for entertainment, and prizes were won by Mrs. Theresa Dear, Mrs. Agnes Sudholt, Thomas Hawks, Mrs. Elizabeth Gatzow, A. P. Duigeroff, Mrs. Alvin Frangoulis, Neal Paschoa, Mr. and Mrs. Ralph Miller and Mrs. Bertha Berry.

Among the guests present were Dr. Merrill Ottigen, Mr. and Mrs. Harry Briggs and Mrs. Eva Sultman, the latter of Kansas City, Mo.

## Sorority Plans Party, Dinner

A regular meeting of Nu Zeta Chapter of Beta Sigma Phi was held Monday evening in the home of Mrs. Metalia Mason.

Those attending were Mrs. Elynn Mae Curtis, Mrs. Sandra Cook, Mrs. Patsy Koenig, Mrs. Shirley Parmley, Mrs. Sheryl Whaley, Mrs. Barbara Johnson, Mrs. Nancy Arnold and Miss Mary Ann Lumpkin.

Mrs. Curtis, president, presided, and the service committee reported plans for entertaining patients at the Colonades Nursing Home April 28 at 6 p.m. Also planned was a party for members' mothers May 2 at 7 p.m. at Rusty's restaurant, Edwardsville. Each member was asked to make a special favor and table decoration for her mother.

Founder's Day will be observed at 6:30 April 30 at the Rose Bowl with all six chapters of the sorority participating.

An election of officers was held at Monday's meeting. The new staff included Mrs. Parmley, president; Mrs. Johnson, vice-president; Mrs. Whaley, treasurer; Miss Lumpkin, recording secretary; Mrs. Mason, corresponding secretary; Mrs. Curtis, extension officer; and Mrs. Fran Cusar, alternate City Council representative.

The hostess gave the cultural program entitled "pictures." A dessert course was served and plans were made for the next meeting with Mrs. Parmley April 28.

**PHILADELPHIA CLASS ELECTS OFFICERS**  
The Maude M. Tolleson Philadelphia Class of Niederrhousen United Methodist Church met Tuesday evening in Wesley Hall of the church.

Mrs. Mildred Cundiff opened the meeting with prayer and the devotional service, the topic of which was "The Importance of Prayer."

Following group singing, officers for the coming year were elected. They are Miss Ella Ray Smith, president; Mrs. Emma Schoen, first vice-president; Miss Geneva Wallick, secretary; Miss Mable Stewart, treasurer; Mrs. Pearl Campbell, attendance secretary; Mrs. Ruth Johnson, teacher; and Mrs. Lucy Weaver, devotional leader.

Mrs. Johnson presented the lesson, "Journey to the Upper Room," and after the meeting refreshments were served from a table decorated with spring flowers. Hostesses were Mrs. Weaver, Mrs. Josephine Ramsey, Mrs. Winifred Reimers, Mrs. Marie Smith, Mrs. Bertha Voss and Mrs. Marvel Clover.

### ALL-DAY SERVICE

An all-day service was held Sunday at Temple Baptist Church with Rev. Jack Guoy, pastor, in charge. Evangelist for revival services now in progress is Rev. W. J. Richardson. He preached the Sunday morning services, followed with singing by the Gospel Messengers, Country Gospel Singers and Echo Quartet.

### APRIL MIZPAH MEETING

Mrs. Kathryn Hauskins, 1665 Third street, was hostess to the Mizpah Sunday school class of the First United Presbyterian Church Monday evening.

Mrs. Dorothy Cramer presided over the meeting, which opened with prayer by Mrs. Annie Laura Platt. A report was given on the youth choir of the church.

The class members are selling candy as a fund project. It was announced that Quaid-City Church Women will hold a fellowship day at the First Presbyterian Church in Granite City May 2.

Mrs. Helen Christ presented the lesson, "Walking in the Light." "The Christian Life of Love, Forgiveness, Hope and Fellowship" was discussed by the members. The monthly meeting closed with the Mizpah benediction.

The hostess offered prayer and served refreshments to Mrs. Betty Geerner, Mrs. Cramer, Mrs. Muriel Gnoth, Mrs. Mattie Bosworth, Mrs. Rae Miller, Mrs. Bernice Gushfield, Mrs. Platt, Mrs. Eleanor Bonnett and Miss Linda Bonnett.

Mrs. Gushfield will hold the May meeting in her home, 1725 Fourth street, with Mrs. Bosworth presenting the lesson.

### MRS. TAYLOR HONORED

Mrs. Yvonne Passig, president of the Ship Shape club, presided over a meeting Tuesday evening at Schermer's civic center. The pledge to the flag and Take Off Pounds pledge were given in unison. Weights were recorded by Mrs. Marie Bryant, with no gains occurring. Mrs. Dorthula Taylor was crowned "queen of the week."

Plans were made for the club's anniversary observance May 24 at the Rose Bowl, with the members inviting guests. A report was given by four of the members on their attendance at a business clinic Saturday at Busch Stadium. The group has made plans to attend a theater in St. Louis in September.

Mrs. Pearl Kester and Mrs. Shirley Kingsley were awarded prizes for the meeting. A singalong was enjoyed by Mesdames Jackie Gattung, Lorraine Gremada, Hazel Trotts, Betty Allen, Patricia Lee, Elizabeth Bucher, Olga Vizer, Pearl Kingsley, Geneva Hill, Nancy Walsh, Kathy Dohal, Barbara Krome, Johanna Collett, Shirley Paris and Ruby Barreau.

Plans for the evening were Mrs. Kathleen Tadlock and Mrs. Alberta Schubert. Mrs. Helen Townes closed the meeting with prayer.

The club will meet Monday at 7 p.m. at the levee office with Mesdames Judy Greer and Ruth Coak as hostesses.

## Fallout Shelter Built Into Home Seen As Practical Way to Survive Attack

The public fallout shelter system which has been developed in the United States would protect tens of millions of Americans from fallout resulting from a nuclear attack. However, few public shelters exist in locations such as suburban and rural areas that lack large, heavy structures. In places with inadequate or no public shelters, a home fallout shelter could be a life saver.

The basements of some homes are usable as family fallout shelters as they now stand without any major changes, especially if the house has two or more stories, and its basement is below ground level.

Most home basements, however, would need some improvements in order to adequately shield their occupants from the radiation given off by fallout particles. Usually, homeowners can make these improvements themselves, with moderate effort and at low cost. Millions of homes have been surveyed for the U.S. Office of Civil Defense by the U.S. Census Bureau, and these homeowners have been given information on the fallout protection their present basements would provide, and how to increase this protection by making specific improvements.

### Shielding Material Is Required

In setting up any home fallout shelter, the basic aim is to place enough shielding material between the people in the shelter and the fallout particles outside the home.

Shielding material is any substance that would absorb and deflect the invisible rays given off by fallout particles outside the house, and thus reduce the amount of radiation reaching the occupants of the shelter. The thicker or denser the shielding material is, the more it would protect the shelter occupants.

Some radiation protection is provided by the existing, standard walls and ceiling of a basement. But if they are not thick or dense enough, other shielding material has to be added.

Concrete, bricks, earth and some of the materials that are dense or heavy enough to provide fallout protection. For comparative purposes, 4 inches of concrete would pro-

- vide the same shielding density as:
- 6 inches of sand or gravel
- 7 inches of earth
- 8 inches of hollow concrete blocks (6 inches filled with sand)
- 10 inches of water
- 14 inches of books or magazines
- 18 inches of wood

Some of the materials listed above may be handled more easily if they are packed into bags, cartons, boxes or other containers already placed where additional shielding is desired.

A home shelter can be either a permanent basement shelter, a preplanned basement shelter, or a permanent above-ground shelter. Plans for each type may be obtained without charge by writing to Civil Defense, Army Publications Center, 2800 Eastern Blvd., Baltimore, Md. 21220. In writing for either type of basement shelter, mention whether Plan A, B, C, D, or E is wanted.

**Permanent Basement Shelters**—The following 3 shelters are probably the best type to build in homes with a full basement or one corner below ground level. The required shielding material would cost about \$100 to \$200. Persons with basic carpentry or masonry skills can do the work themselves. Shelters of this type should always be built in the "best" corner of a home basement—the corner which is least below ground level.

**CEILING MODIFICATION (Plan A)** calls for increasing

the overhead shielding against "downward" radiation by screwing plywood sheets across the joists to the bottom of the ceiling joists, then filling the spaces between the joists with bricks or concrete blocks. An extra ceiling beam and a screw-jack column may be needed to support the extra weight.

If 12 inches or more of the basement wall is above ground level, this plan should not be used unless two or more interior walls are added to form a shelter area and protect the shelter occupants against radiation coming from the side.

**ALTERNATE CEILING MODIFICATION (Plan B)** is similar to Plan A, except that new extra joists are fitted into part of the basement ceiling (over that section of the basement which will be used as a shelter). The new joists will help support the added weight of the overhead shielding material, and the extra ceiling beam and screw-jack column will not be needed.

**CONCRETE BLOCK OR BRICK SHELTER (Plan C)** is a plan to build out of concrete blocks or bricks, a separate 5 x 11-foot shelter in the "best" corner of a basement. It requires construction of only two walls and a ceiling for the shelter, since the regular basement walls will serve as the other two walls of the shelter. Built low, this can serve as a "sit-down" shelter, or by making the walls higher, a shelter can accommodate people standing erect. The shelter ceiling, however, should not be higher than the outside ground level.

If a home has a basement but a permanent-type basement shelter is not desired, the next best thing would be to arrange to assemble a "pre-planned" home shelter. This simply means gathering together in advance, the shielding material needed to make a basement (or one part of it) more resistant to fallout radiation. This material could be stored in or around the home, ready for use whenever it is decided to set up a shelter.

**PREPLANNED SNACK BAR SHELTER (Plan D)** is a snack bar built of bricks or

concrete blocks, set in mortar, in the basement corner that is most below ground level. Over the snack bar built strong, hollow "false ceiling" that is hinged to the wall.

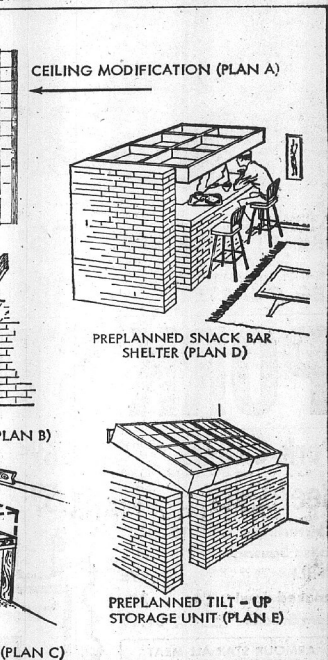

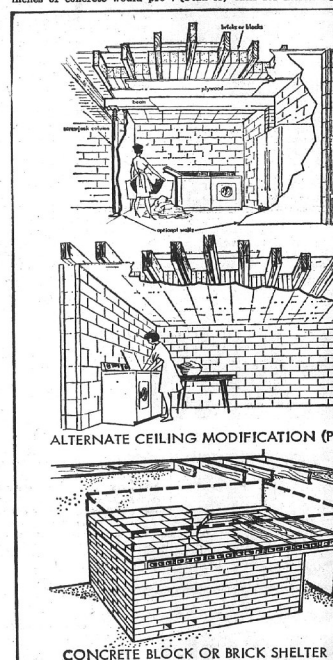

In a time of emergency, the false ceiling is lowered so that one end rests on the snack bar, and the hollow sections of it are filled with bricks or concrete blocks (which should be stored nearby) to provide overhead shielding.

**PREPLANNED TILT-UP STORAGE UNIT (Plan E)** involves construction of a simple storage unit out of lumber. The unit is like a free-standing bookshelf or storage bin, 6 feet high, 8 inches deep, and either 1 1/2 or 3 feet wide. At the top, it is hinged to the basement wall.

In peacetime, the unit could be used to store books, canned goods or other things. In event of attack warning, the storage unit would be tilted so that the bottom would be resting on an unmoored wall of bricks or concrete blocks that have been stored nearby. Other bricks or blocks would then be placed in the compartments of the storage unit, to provide an overhead shield against fallout radiation.

The information in this story was furnished by the U.S. Department of Defense, Office of Civil Defense, to help people prepare for a nuclear attack and learn what actions to take in case an attack should occur. Local authorities are responsible for supplying the public with more detailed survival instructions for this area.

This information, shown drawn from the OGD publication "In Time of Emergency" (IF-14), which is available without charge at local civil defense offices.

### HIKE, COOKOUT ARE PLANNED BY BROWNIES

A weekly meeting of Brownie Troop 1156 of Lake school was opened Tuesday afternoon by the president, Kendall Lucas.

The pledge of allegiance to the American flag and the Brownie promise were given.

Part of the troop made plans for a hike and cookout on Saturday. It was decided that the menu will be Brownie stew, "smores" and a "walking salad" consisting of fresh fruits and vegetables or cheese and crackers. Each girl is to bring her own salad. Leaders will furnish the drinks.

The other group made "sit-ups." Each girl was given a kit pre-assembled by Mrs. Charlene Pohlman and Mrs. Carol Parker, containing plastic, newspapers, a needle, thread and ties.

The girls are to meet at 74 Shirlwin drive at 10 a.m. Saturday and are to be picked up by their parents at 2 p.m. at the same address.

The hike and cookout will be in the Arlington Heights area. Also discussed at Tuesday's meeting was the Brownie reveal at Wilson Park May 17. Those wishing to attend must return permission slips signed by their parents and 40 cents to the Lake school secretary no later than tomorrow.

The meeting closed with a clean-up song and Brownie tunnel.

Attending were Julie Adams, Dana Buer, Shari Christ, Cindy

### CHANCE MEETING TIME

A new meeting time and date was established for the Glenview Tops club at a business session Tuesday afternoon in the home of Mrs. Marie Oglesby, 2717 Maryville road.

The leader, Mrs. Shirley Jensen, opened the meeting and Mrs. Oglesby, club recorder, conducted weighing. Mrs. Oglesby was presented a silver jeweled brooch, crown as "queen of the week."

It was decided to meet every Thursday from 1 to 3 p.m.

Mrs. Jensen has been re-elected as leader. Mrs. Mary Gibbs is secretary and Mrs. Billie Schuler, treasurer. Mrs. Jensen announced that a contest which is in progress will end April 29.

The rest of the afternoon was spent in a handicraft session. The club continued work on a sewing project, making rag dolls and animals which will be given to a needy family or charitable organization. The membership drive will remain open, and anyone who wishes to join may call 451-9629.

Coffee was served. Others present were Mrs. Billie Bagl, Mrs. Eva Fletcher, Mrs. Betty Corcoran and Mrs. Sally Schultz. The next meeting will be at the same address April 24.

### DISCUSS NATURE HIKE

A neighborhood nature hike was discussed at a weekly meeting of a newly-organized Brownie troop at Marshall school Tuesday afternoon. Leaders are Mrs. Verna Kidman and Mrs. Faye Wentz.

The meeting opened with the girls exchanging the promise and the Brownie smile song in preparation for an investigation ceremony April 24 at the school from 7 to 8 p.m. The parents are being invited to attend.

The Brownie "revel" is to be held at Wilson Park May 10. The troop made plans to conduct a nature study with a hike around the meeting area late this month.

Each Brownie cut out and took home leaves which their mothers will fill with their good deeds of the week. These will form a path to the "Brownie forest" at the investiture.

In attendance were Boyce Clark, Pamela Constant, Peggy Erwin, Debbie Handlon, Laurie Holloway, Carl Kidman, Ellen King, Michele Mirabal, Janet Nunes, Christy Ann Peach, Kim Ragan, Karen Roberts and Sharon Warner.

3405 Franklin avenue, called his parents Sunday morning. He had just completed two weeks of training on the rifle range at Camp Pendleton, Calif., where he earned an "expert marksman" medal.

A Marine enlistee, he had left for the San Diego Marine Base on Feb. 19. About a month ago he was appointed squad leader, a position he has retained to the present time.

He will be graduated from basic training on April 28, after which he will take two to four weeks of advanced combat training at Camp Pendleton. Upon completion of the advanced training, he will be entitled to 20 days' leave.

MRS. JANET KUNICK  
676-058

Winners in games played Sunday evening by the Granite City Duplicate Bridge club at the home of Mrs. Helen Meyer, 2832 Yale drive, were: first place, William Bunte and Al Schaefer; second, Mr. and Mrs. Elmer Branding; and third, Mr. and Mrs. Al Barnes.

On Monday, members of the Nameoki Duplicate Bridge club met in the Meyer home. Following a day of bridge, winners announced were: first place, Mrs. Betty Osterle and Mrs. Marie Huff; second, Mrs. Muriel Dressel and Mrs. Jean Barnes; and third, Mrs. Lou England and Mrs. Helen Hudson.

The next meeting of the Granite City club will be Sunday at 6:45 p.m. at the Meyer home. The Nameoki club will assemble there Monday at 10:15 a.m.

### THORNGATE GARDEN CLUB MEETS AT LA VELLE HOME

The Thorngate Garden club held its April meeting Tuesday evening in the home of Mrs. Elizabeth LaVelle on St. Thomas road. Mrs. Wanda Kincaid, president, presided.

Plans were discussed for several of the members to attend an open house of the Alton State Hospital April 27.

Plans were made to meet in the home of Mrs. Clara Schilling April 18 to make hostess badges for the garden show which will be held at Wilson Park May 18.

Yearbooks were distributed, with Mrs. Mary Markham serving as chairman of a committee to prepare and assemble the books.

The hostess served a luncheon to Mesdames Ida Handfield, Lillian Delp and June Markham and a new member, Dorothy Staudt.

### YOUTH ORGANIZATION HOLDS WIENER ROAST

The Active Youth Organization of Peace Lutheran Church held a wiener roast at the home of Mr. and Mrs. Paul Gendron, 2331 Zippel avenue, Sunday evening.

Jay Metzger, president, presided and reports were given by the secretary, Connie Walsh, and the treasurer, Steve Chernoff.

The program was presented by Mike Pedigo, who gave a devotional, assisted by Jane Metzger and Shannon Walsh. They read a hymn, prayer and the Apostles' Creed.

Plans were discussed for a congregational pot luck supper in June. Topic is to be "Drugs."

Recreation consisted of charades, quiz games and listening to records. They returned to the living room and viewed marshmallows around the fireplace.

Refreshments were served by Shannon and Connie Walsh. A discussion was held on an Active Youth Organization workday this Saturday at the church.

It was noted that drug use will be discussed at the Illinois Senate Convention of Lutheran Churches this summer.

Others present included Lisa Gendron, Debbie Felner, Dennis McBride, Mr. Mrs. William Herbst, leaders, and their daughter, Beth Ann, Rev. and Mrs. Carl Johnson and daughter, Bethany, and Laura, Paula and Penny Gendron.

Next meeting will be April 27, when they will gather at the church at 5:30 p.m. At 6:45 p.m., they will walk to the Tri-City Tabernacle, Maryann road and Clark avenue, to attend a 7 p.m. worship service.

### MRS. REDMON HONORED WITH CRADLE SHOWER

Mrs. Judy Harlow Redmon was honored at a blessed event shower Sunday afternoon at the Rose Bowl by her sons, Mrs. Margie Watkins and Mrs. Shirley Watkins.

Guests were seated at tables covered with white luncheon cloths and adorned with miniature green crocheted booties holding mints and nuts.

The head table was decorated with yellow and green streamers and centered with a large yellow umbrella holding a picture of a baby sitting under an umbrella. A wreath of greenery entwined with miniature lilies of valley draped the front of the table.

A stork was placed on a long wall decorated with yellow and green streamers. Gifts were put in a basket which was placed in a corner with similar streamers leading to the ceiling.

Assisting the hostesses with the decorations were the honoree's sister, Mrs. Shirley Lybarger, a niece, Lynette Lybarger, and Leslie Lombardi.

Prizes were awarded to Mrs. Maggie Watkins as oldest mother present and Mrs. Patricia Ashby and Mrs. Jan Smith as youngest mothers. Baby bingo was played.

While Mrs. Redmon opened

**SOUTHERN'S PEACH.** Peach blossom time in Southern Illinois during the weekend was delightful to Cathy Zenik, Southern Illinois University sophomore from Granite City (3226 Wabash avenue), who could enjoy the blossom-laden peach trees in an SIU experimental orchard near her Greek Row living quarters. Miss Zenik, an elementary education major, is a member of Delta Zeta sorority and a Miss Southern candidate at SIU. Peach orchards in Southern Illinois burst into full bloom during the weekend as several days of warm sunny weather brought out the blossoms rapidly, only two or three days later than normal.

### Waterways Gift For SIU Foundation

A luncheon was served to Mesdames Kay Hepper, Sharon Harrison, Carol Darling and Gail Kurtz of Collinsville, Mesdames Dorothy Shawen and Joyce Egan and Miss Claudine Lango of East St. Louis, Mrs. Jeanne Walker, Webster Groves, Mo., Mrs. Joyce Burnett, Belleville.

Mesdames Doris Redmon, the honoree's mother-in-law, and Dee Dee Hodges, Sara Duko, Lorraine Reiske, Marge Hiller, Vickie Skinner, Edna Jackson, Ruby McFalls, Maggie Watkins, Catherine Delhoye.

Mesdames Mary Ethel Fansler, Pauline Dalhaus, Helen Friedman and Georgia Harlow, mother of the honoree, and Misses Brenda Jackson and Lana Dalhaus.

Mrs. Redmon, the former Judy Harlow, is the daughter of Mr. and Mrs. Lloyd Harlow, 2109 Johnson road. She graduated from Madison high school and Eastern Illinois University. She is presently teaching at Collinsville high school. Her husband Bogie Redmon, is a State Farm insurance representative in Collinsville, where they reside.

### ATTEND SPRINGFIELD CEREMONIES OF DUV

Mrs. Louise Thomson, 2912 Yale drive, Mrs. Irma Taylor, 1730 Primrose avenue, and Mrs. Coramane Bent, 1625 Pontoon road, attended special ceremonies held Sunday at over 200 gathered at President Lincoln's tomb, Springfield.

Miss Marian Tully, department president of the Illinois Daughters of Union Veterans of the Civil War, placed a wreath on the tomb. Mrs. Thompson served as a color bearer at the wreath ceremony.

Later in the day, a luncheon was attended by the ladies at the mansion house, and the afternoon was spent at cornerstone ceremonies and an open house at the national headquarters building at 503 South Walnut street. Also present were national officers from 15 different states and Illinois department officers.

Mrs. Thompson is the Illinois department junior vice-president. The three ladies are members of Aunt Becky Young Tent 92, Daughters of Union Veterans of the Civil War.

### PARENTS GROUP FOR DEAF CHILDREN

The bi-county parent group for deaf and hard of hearing children met Tuesday evening at Granite City high school and heard Miss Kathy McCarren present a program.

She is an audiologist at the St. Louis Hospital department of otolaryngology, division of audiology, in St. Louis. She also does research work, testing, rehabilitation and testing of persons of all ages.

### NAMEOKI METHODIST DISTRICT PROGRAM

A special program was presented Monday evening as ladies of the Women's Society of Christian Service held their April meeting at Nameoki United Methodist Church.

District officers were in charge of the program and presented a playlet.

Following the meeting, refreshments were served in the assembly room.

## Housework, Gardening Can Cause Eye Injuries

Housecleaning and gardening, two rituals of Spring, are accompanied by whirls of activity in which safety precautions are too often ignored or forgotten, warns the National Society for the Prevention of Blindness.

"We must remember that the array of materials—solvents, cleansers and paints, garden chemicals, solvents, as well as the tools being used—are often objects of fascination to young children," reminds John W. Ferree, executive director of the Society. "They want to get into the act, and our accident files tell us with tragic repetitiveness the results in serious eye injuries and even blindness."

#### New Trend Becomes Problem

A new twine for balled trees solved the problem for nurserymen when common twine rotted before the trees were sold. When this permanent twine was used, the trees a good thing becomes a problem.

#### Blight on Pyracantha

A fungus disease of pyracantha causes many plants to grow normally but rarely have leaves. Scab disease of pyracantha causes dark sooty spots on the leaves and berry clusters after bloom. The fungus gradually spreads causing leaf drop and lightening of developing berries.

#### Cannas and Dahlias

These two garden favorites will give you extra performance if you start them early. Undivided clumps should be planted in pots or flats and placed in a warm sunny area. As soon as shoots develop the clumps can be divided and each not planted in a pot or replanted in the flat. Proper watering and protection from the cold are both important to obtain vigorous plants.

#### Experimental Machine

An experimental machine designed to plant vegetables and melons was tested at Loach Farms near Wanda. The machine probably will continue to be in operation there through this week.

#### Marriage License

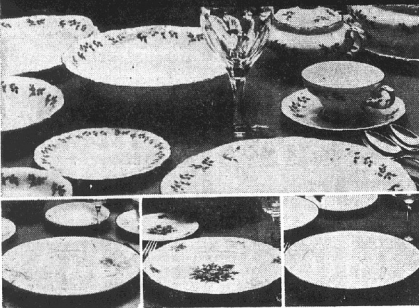

A marriage license has been issued in Belleville to Robert S. North of Granite City, and Mrs. Thelma J. Wrigley from Edwardsville.

### First Church of Christ, Scientist Sunday Service

"Doctrine of Atonement" will be the theme of the Bible lesson-sermon to be heard Sunday in all Christian Science churches, including First Church of Christ, Scientist, 2560 Delmar avenue.

Services at First Church are held at 10:45 each Sunday.

### Steps to Turn, Struck

An auto driven by Mary E. Cline, 2641 Madison avenue, stopped in traffic to make a left turn, was struck by a car driven by Dorothy E. Squires, Rural Route Two, at 9:35 p.m. Tuesday at Nameoki road and Lindell Blvd.

### Former Resident Dies in Milwaukee

Funeral services will be held at 1 p.m. Saturday for Mrs. Mary Ann McDonald, 59, of Milwaukee, Wis., formerly of Madison. She died at 6 a.m. Sunday at the Doctor's Hospital in Milwaukee.

She is survived by her husband, James McDonald, and one daughter, Verberline Hendrix, both of Milwaukee; Wis., two brothers, George Lay of St. Louis, Alphonse Studebaker, Madison, Wis.; three sisters, Alice Harris of Madison, Aldene Coleman, West Helena, Ark., and Vashli Hatfield of Chicago. Funeral arrangements are being given in today's obituary column.

## DeMolays Install Senior, Junior Officers; Receive New Banner

Randy Fowler was installed as Master Counselor of the James Stuart Chapter, Order of DeMolay in a public ceremony Tuesday evening at the Masonic Temple. The Granite City Court of Chevaliers conducted the installation ceremony with officers including, George Slatery, Gilbert Watson, Roy L. Wilmsig Jr., Roland Kennedy, Robert Maxwell and Everett Steele.

Bethel 43, International Order of Job's Daughters, led by Marian Sullivan, Honored Queen, assisted in the installation. The Bethel Choir sang several selections accompanied at the piano by Beth Ann Ledbetter.

Senior officers installed were Wayne Staggs, protem for

Dwayne Pritchett, senior counselor; Stephen Hileman junior counselor; Roger Miller, chaplain; David Watkins, treasurer; William Watson, scribe; Bruce Jackson, Job's Daughters officer; Kirk Danner, junior deacon; Steven Ebrecht, senior steward; Robert Epling, junior steward; Keith Mercer, sentinel; Michael Norton, bearer; Michael Norton, bearer; John Tolbert, marshal; Paul Boyer, orator; and preceptors, Bruce Baumbarger, Ronald Ebrecht, Bruce Van Metre, Max Merz III, Timothy Lux, Charles Libby and Charles Collett.

Junior officers taking part in the ceremonies were, William "Bill" Kee as Master counselor; Gary Denny protem for Steven Meador, senior counselor; Gregory Lux, junior counselor; Albert Fowler, chaplain; Harley Barton, treasurer; Ronald Bouillon, scribe; Ricky Woodard, senior deacon; Carl Harrison, junior deacon; Charles Wilkins, junior steward; Robert Gilbert, junior steward; Carl Earls, sentinel; Kevin Thomsberry, protem for Curtis Bosworth, standard bearer; Ernest Edwards, almoner; Billy Mihm, marshal; Anthony Garner, orator; and preceptors, Leslie Noe, Michael Vorce, David Schillingier, Ter-

ry Rigsby, Dennis Brewer, Edward Meyer and Paul Miles. Mrs. Frankie Bennett sang a solo for the installation, accompanied by Miss Brenda Jackson. Job's Daughters officers were introduced by Mrs. Sullivan, who spoke briefly. Remarks were also made by Mrs. Neil Baskette, Guardian of the Bethel 43.

The 1968 DeMolay Sweetheart, Miss Linda Fischer, was escorted to the East by William Watson and introduced, followed by the introduction of three finalists for the 1969 title, Janet Stuart, Becky Thomason and Jo Ann Graklanoff. They were escorted by Steve Hileman, Roger Miller and Dave Watkins.

Mrs. Ann Fowler was escorted to the altar by John Tolbert and was presented with a bouquet of roses by her son, Randy, who in turn introduced other members of his family. Mrs. Jean Hileman, president of the Mother's Club, presented her officers and members and received a corsage by the master counselor, who thanked the club for assistance in fund-raising projects, serving refreshments at meetings and keeping the chapter's regalia in good condition. Mrs. Marie Naevae was also thanked for

her help in the evening's program.

Keith Danner was presented his Past Master Counselor's Jewel by Chapter Advisor Charles Meyer, who announced that Danner had the unique distinction of being the first past officer to receive his jewel from the James Stuart Chapter and in the 50th year of DeMolay.

The new Master Counselor, Randy Fowler, received his pin from Keith Danner.

In an unscheduled presentation, the Chapter was given a new chapter banner for "James Stuart Chapter" by the Danner family. Keith acted as spokesman for his two brothers, Kendall and Kirk, who are DeMolays and his father, Newell Danner. A senior DeMolay, the chapter was named in January 1969 in honor of Uncle Jimmy Stuart, who served as advisor for the chapter from 1933 until his death in 1965.

Awards presented during the evening included a "Hats-Off" award to Daryl Few for his outstanding efforts in behalf of DeMolay as co-chairman of the advisory council, George Slatery; and the chapter received a Gold Honor Key Award plaque presented by

Gilbert Watson, also a member of the council. The award originally came from George M. Saunders Grand Secretary of the International Supreme Council, for having reported in the 1968 year its best year of new members.

Guests who spoke briefly following the ceremonies were, Dave Evans, president of Roca, and their sponsor, Earl Parsons; Miss Jo Ann Graklanoff, president of Alpha Phi's Hi-Y club.

William Watson presented the new master counselor with a red and white bear, which he will be required to take to all DeMolay functions.

Following the installation members and guests went to the downstairs dining room for a dance featuring "The Burlington Route" musical group. Preceding the dance, Miss Becky Thomason was crowned the 1969 DeMolay Sweetheart by the retiring honoree, Miss Fischer. First attendant was Miss Janet Stuart and second was Miss Jo Ann Graklanoff. Escorts included, William Watson, Roger Miller, Randy Fowler, Dave Watkins. Keith Danner served as master of ceremonies and presented the girls with their gifts.

## Parents Group Hears Details on Class for Deaf

The Parents Group from the Jefferson School for the Deaf and Hard of Hearing held its monthly meeting Tuesday evening at Granite City high school. Special guests included personnel from local school districts. Located in East St. Louis, Jefferson school provides special instruction programs for youngsters with hearing problems who reside in Madison and St. Clair counties. In addition to classes at the East St. Louis building, one class is conducted in the Roxana school district and two in the Belleville system.

Seven Granite City children between the ages of three-and-five-years and one Madison child are among those enrolled in the bi-county program. At this week's meeting, Donald McKinney of Alton, president of the parent's group, introduced guest speaker, Miss Kathy McCarron of the Jewish Hospital Otolaryngology Department who discussed the hospital's audiological testing procedure.

In addition to parents and teachers attending the meeting here were Harold Thomas, Granite City school district's director of special education; Mrs. Beatrice Pyle and Mrs. Ruth McCarty, Granite City school nurses and Miss Nina Dittman, a nurse in the Madison school system.

### Stolen Auto Found

An auto stolen in St. Louis on Tuesday was found abandoned without wheels at 11 a.m. Wednesday behind the Glenview Chapel, Wilson avenue and Maryville road. The auto, owned by Johnny Brownlee of St. Louis, was towed to a garage.

### Price Asks Amendment To Water Quality Act

The pollution of Alton lake was cited as one of the prime examples for adoption of an amendment increasing emergency disaster funds as the House of Representatives Tuesday passed the 1969 Water Quality Improvement Act.

U. S. Rep. Melvin Price said the pending bill "is excellent," but urged passage of the amendment which authorizes \$100 million to be used to clean up pollution accidents and to provide permanent corrective

### Door Windows Broken

Mrs. Evelyn Stark, 2459 Adams street, reported Monday that vandals broke two windows in the front door of her home between 9 a.m. and 12:15 p.m. Sunday.

relief for designated pollution disaster areas.

It is designed so that our population centers get a fair shake in the distribution of funds for pollution control facilities. Price said, "To do the job properly, more funds are needed on an emergency basis."

### Seminar on Managerial Reports of Businesses

Local members will be among those participating in a seminar tomorrow and Saturday of the St. Louis chapter, National Association of Accountants. Registration will take place at 2 p.m. Friday at the Pere Marquette State Park lodge near Granger.

Dr. Emery C. Turner, dean of the School of Business Administration, University of Missouri at St. Louis, will lead a program on "Managerial Reports and Controls for Medium

### Collide in Madison

Cars driven by Glenda Daggett, St. Louis, and Barry Tresse, Gainstone, Ill., were damaged at 3:45 p.m. yesterday in a collision at Third street and McCambridge avenue. Madison police said the Tresse car was stopped in a line of traffic headed south on McCambridge, and was struck from the rear by the Daggett auto.

### Prather Summer Center for 4th- 6th Grade Gifted

Again this summer, special courses designed to enrich the education of students recommended by their teachers will be offered at Prather Junior high school. The classes are offered to fourth, fifth and sixth grade students who have shown their ability to gain from such a program.

W. Richard Brinkhoff, assistant director of the gifted program, reports that the classes offered differ in a number of ways from traditional classes during the school year.

First, the students are able to choose what classes they wish to study, and in most classes, the students will have an active part in the planning of what is to be studied in the class.

"There is usually a much closer relationship between student and teacher due to a lower student-teacher ratio and more

freedom of curriculum content," he commented.

"The classes are designed as enrichment classes; that is, they will allow a student to delve into subjects of particular interest to him or to study subjects he has not had the time or opportunity to study in the school year."

**Computers, Folk Music**

"Several classes are being offered for the first time this year, such as computer language, folk guitar and golf instruction. Band will also meet to more closely meet the needs of the child."

The enrichment program for academically superior fourth through sixth graders will be conducted at the same time as the regular summer school program, June 2 to July 18, from 9 a.m. to noon Monday through Friday.

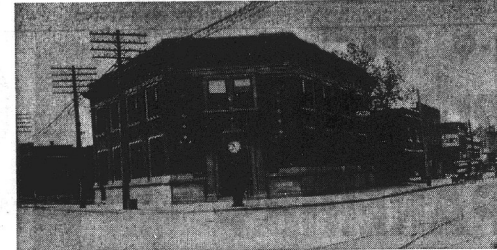

The application and the fee of \$2.50 for book rental and supplies are to be turned in at the student's school by April 15.

#### Two Courses Required

Those who participate must enroll in two instructional units, each 80 minutes in length. He may choose any two from Group I or one each from Group I and Group II.

Group I courses will be computer language, creative drama, experimental science, history (a study of people who have made history), history of Illinois, imaginative writing, nature study, paperback novels, oceanography, prehistoric times, use of the library, beginning and intermediate Spanish, beginning and intermediate German and the Russian language.

Group II offerings are arts and crafts, folk guitar, golf instruction, industrial arts and beginning and intermediate band.

Dr. Hughes, a dentist, and Dr. Darner, physician, had offices above the front entranceway, the window signs relate.

### Barron Joins 25th Infantry in Vietnam

Army Pfc Gary W. Barron, 20, whose parents, Mr. and Mrs. Melvin F. Penberthy, live at 2920 Forest avenue, has been assigned to the 25th Infantry Division near Cu Chi, Vietnam, as a cook.

His wife, Nancy, resides in the 2900 block of Forest.

#### Auto Runs into Ditch

An auto driven by Edward Fitzpatrick, 1710 Delmar avenue, ran into an open ditch at 22nd and State streets at 10:40 p.m. Monday. He said he did not see a barricade partially blocking State street when he made a left turn off 23rd street.

### Demo Officials Urge Briggs Vote

A plea that voters of the 53rd Senatorial District cast their ballots to elect Harry Briggs, Nameoki supervisor and Democratic candidate for state senator in the April 22 special election, was issued today over the signatures of Lt. Gov. Paul Simon of Troy and eight Madison county Democratic officials.

In a signed statement the officials said:

"The Republicans already have an almost 2 to 1 majority in the State Senate. If balance in state government is desirable—and we believe it is—then adding more Republicans to the State Senate is not a contribution to state government."

The Democratic candidate has experience in township and county government. His opponent, an honorable man, has none."

In addition to Lt. Gov. Simon, officials who signed the statement include Walter T. "Buck" Simmons, chairman of the Madison County Democratic Central committee and clerk of the Fifth District Appellate Court; County Treasurer John Maerz; County Auditor John Kraynak; Circuit Clerk Willard "Butch" Portell; Recorder James Chapman, County Clerk Eulalia Hotz, School Supt. ### Alton State Hospital Begins Pilot Program

An intensive pre-discharge pilot program of integrating both male and female patients into one ward, within the Eastern Counties Unit of Alton State Hospital, is being implemented.

The intensive program is geared to make the patients self sufficient as soon as possible. During the rehabilitation period, the patients will learn how to relate to the opposite sex, which will stimulate the patient to learn to live under normal circumstances, as they would in their own community, the hospital officials noted.

Thirty-four patients have been selected for the intensified program, which is scheduled for not more than six months. The patients have separate dormitories and toilet facilities, and share a common day-room, dining room. The mixed group participates in all therapy programs. Patients presently in the program who are not able to adjust to the pace will be returned to their original ward.

The new program will be open for visitors to observe and tour during Alton State Hospital's Open House, which is scheduled, Sunday, April 27, from 1 to 4 p.m.

### Amateur Art Show Being Planned for May

Applications are available for the Town and Country Art Show for amateur artists to be held May 23, 24 and 25 at Loomis Hall in Alton.

The exhibit will feature works by amateur artists from all of the county and surrounding area. The committee responsible for organizing the show has determined an amateur artist to be anyone who has no degree in art who does not receive half or more than half of his income from the sale of his art work or services.

Exhibitors may exhibit as many as four pictures with no limit on the other classifications for a fee of \$2. Media classifications include original works in carving, hand thrown ceramics (pottery), oil, sculpture, watercolor, weaving, charcoal, collage, lapidary, metal work, jewelry, metal enameling, mosaic, pen and pencil, photography, pastel, tapestry, welding, and original design creative stitching.

Amateur artists 18 years or older may participate in the show. School age youngsters (14-18 years of age) and college students may hang but will not be eligible to be chosen for district showing in Vandalia in June.

More information and entry forms are available from the Home Economics Extension Office, Box 68, 900 Hillsboro, Edwardsville. Telephone (618) 656-4822. The entry deadline is May 14 at 5 p.m.

The Town and Country Art Show is sponsored by the University of Illinois, local artists and artists' groups and the Cooperative Extension Service.

### General Baptists Begin Crusade

General Baptist Churches of this area are joining in a Commitment Crusade which began with a meeting last night at Mt. Zion General Baptist Church, 21st and Benton streets.

The Rev. John DeSanto of Vincennes, Ind., was the speaker at the first meeting, a spiritual and enrichment rally with representatives of other General Baptist Churches in attendance.

The meetings are to be held every other week in the various participating churches. Among them are Graceland General Baptist, Cedar View, Faith Chapel, the Gospel Chapel in Madison, General Baptist of Bethalto, Hartford General Baptist, Cahokia General Baptist and others.

A banquet is planned for May 12 and other events will be held during the Crusade which will continue through August.

## Youthful Patients Try Switch; Effort Foiled

A patient switcheroo implemented by two young boys almost succeeded recently at St. Elizabeth Hospital when the pair decided separately and without consulting each other to change roles—and remaining in hospital and the other receiving first aid treatment and going home.

The boys were Timmie Couch, 10, son of Mrs. Virginia Couch, 2731 Warren avenue, who was awaiting emergency treatment for an injury to his right leg incurred when struck by a mini-bike, and Kevin Johnson, also 10, whose parents, Mr. and Mrs. James E. Johnson, reside in East St. Louis.

Kevin was slated to undergo x-ray of his left shoulder, hurt while playing baseball, and be admitted for observation. Timmie was waiting for his injured leg to be sutured and then be released.

While in the emergency room waiting lounge, Timmie decided to try out a wheel chair and Kevin, despite his injured shoulder, occupied a straight-back chair. Staff nurses looking for Kevin saw Timmie in the wheelchair and took him to the first floor, undressed him and put the boy to bed. Neither boy mentioned the mistake in identity.

When the ruse was discovered, Timmie said that he figured by going to bed he would be safe from the suturing and Kevin believed he could go home and finish out the baseball game. Hospital attendants report that neither boy discussed the switch with the other.

Told he was to be taken back to his room, Timmie commented—"Aw shucks now I gotta go and get stitched." The physician treating him a short time later inquired why he didn't speak up and tell the nurses he wasn't the right patient. Timmie replied—"I didn't want to get stitched," but noted plaintively that for all his trouble he was to get sutured anyway.

Medical authorities speculated that the boys figured as long as one stayed and the other went home they could arrange the details to suit their own purpose.

"They almost got away with it. Unfortunately, hospital records have a way of untangling in a hurry and Kevin stayed to his disappointment. Equally unlucky, Timmie was treated and sent home with his mother.

## A.I.D. States Policy Against Sex Education

The State Central Committee of the American Independent Party of Illinois has issued a policy statement opposing sex education and sensitivity training in Illinois public schools as they are being advanced today, according to Albert Westerfield, state committee chairman from Illinois second district and A.I.P. public relations director.

Instead, Westerfield said, the A.I.P. favors the teaching of good morals and individual responsibilities. He said the A.I.P. believes that a political party which does not take a position on vital issues between political campaigns has no moral right to represent the people at an election.

The public is invited to attend a meeting of the Madison county A.I.P. chapter at 2 p.m. Sunday in the First Federal speaker.

## EOC Center to be Open Two Evenings

The Madison Service Center, 145 Madison avenue, a branch of the Madison County Economic Opportunity Center, will have evening hours on Tuesdays and Thursdays from 8:30 a.m. to 9 p.m. It was announced this week.

On Mondays, Wednesdays and Fridays the Center will be open 8:30 a.m. to 5 p.m.

He said that while details of this problem have been worked out with the U. S. engineers, the government does not want to release the land until the state makes a formal request, which has not yet been done, Decker said.

On Mondays, Wednesdays and Fridays the Center will be open 8:30 a.m. to 5 p.m.

## State Delaying Plan to Purchase Lewis-Clark Land

Technical difficulties and the change in the state administration earlier this year has delayed land acquisition for the Lewis & Clark park south of Hartford, according to Clarence Decker, "unofficial" chairman of the Illinois Lewis & Clark Trail Commission.

None of the more than 500 acres which were supposed to have been acquired by the state for expansion of the park has been turned over to the state, Decker said. The land acquisition was supposed to have been completed by last January.

Although Gov. Ogilvie has made no appointments to the Trail Commission since taking over as governor in January, Decker, who was chairman of the previous commission under the Democratic state government, said he has been told to proceed and continue in that capacity.

Decker attributed the delay to "negligence" resulting from the turnover in the administration as well as reluctance of the federal government to turn over to the state about 300 acres of the tract which is now administered by the U. S. Corps of Army Engineers. While the government is now willing to turn over the land, it is required a "hold harmless" agreement and liability insurance before the land is released.

He said that while details of this problem have been worked out with the U. S. engineers, the government does not want to release the land until the state makes a formal request, which has not yet been done, Decker said.

## Narce Names Delegate To State Meeting

A meeting of Chapter 1067 of NARCE was conducted Monday evening at the Officers Club at the Army Depot with 17 members of the retired Civil Service workers group attending.

Edward Ermy, president, presided and announced that Sidney Harris will represent the organization at the Illinois State Federation meeting in Waukegan, Ill. on May 22-24.

State Rep. Horace Calvo advised the members by letter that action is being taken to protect annuities of retirees.

Other news letters read were from the national and state level. One announced a membership campaign now in progress whereby each member who recruits a new member a \$1 fee will be deposited in the local treasury.

Members were urged to write to congressmen concerning bills in benefits. Specific information may be obtained from the president or other officers of the local organization.

The program was presented by Mr. and Mrs. Harry Johnson, who showed colored slides of their tour to Hawaii, Hong Kong, India and the Far East. Mrs. Johnson displayed several items collected during their trips. Refreshments were served.

## Services Held Today For Dennis P. White

Funeral services were conducted at Sacred Heart Roman Catholic Church at 9 a.m. today for Dennis Patrick White, 22, who died at 11 p.m. Sunday, April 13, as a result of an automobile accident in Smyrna, Ga. Interment was in National Cemetery, Jefferson Barracks, Mo.

Surviving are his stepfather and mother, Mr. and Mrs. Marvin Waggoner of 2723 Michigan avenue; a brother, Michael White; two step-sisters, Miss Robin Waggoner and Mrs. Diane Christ; and his grandmother, Mrs. Mary White.

White was a four-year veteran of the Air Force and served a tour of duty in Vietnam. Since his release from the service he was employed at Lockheed Aircraft Corp. in Marietta, Ga., for the past four months.

## Area's U. S. Highway Funds to be Diverted

Highway construction funds that would have been allocated toward extension of Federal Aid Route 151 (the Great River Road) will be diverted to projects in other counties of Illinois Highway District 8 until a freeze on use of federal highway funds in Madison and St. Clair counties is lifted.

Robert Kronst, District 8 engineer of the Illinois Highway Division at French Village, said today the situation will not interfere with FA 151 construction now under way between a point north of Pontoon Road to Nidringhaus avenue in Granite City, but that further extension of the highway from Granite City to Venice will be delayed until issues of the federal freeze are settled.

The freeze also has no effect upon construction of the Broadway underpass at Venice that will be Broadway in with the Great River Road at a point near McKinley bridge in Venice. The underpass on which construction was begun last fall, estimated to cost about \$1.5 million, is financed by the state, the city of Venice and three railroads. The lines will pass over the top of the subway.

**Could Delay Paving**  
Unless the freeze issue is resolved by the end of this year, however, it could hold up construction of the proposed Route 203 improvement from Venice to Mitchell. That project is scheduled for financing half by the state and half by the federal government.

Plans call for construction of an additional two lanes adjacent to the present two-lane

highway, with center median to create a four-lane highway. The work will involve 2.37 miles of paving.

Kronst said that he intends to schedule the construction of Route 203 in the 1970 highway building program "in hope that the freeze problem will be settled by then." He said district engineers are continuing acquisition of right-of-way for the project this year and that "we are pretty well along in obtaining all needed right-of-way."

In addition, he said, he plans to schedule the extension of FA Route 151 from Granite City to Venice for actual construction work next year, although allocation of federal funds still will depend upon resolving the fund freeze issue.

**Hopes For Settlement**  
Kronst said he hopes that the freeze will be lifted by the time the new highway program is drafted at the end of this year.

Meanwhile, Kronst said, federally allotted highway construction funds intended for use this year in Madison and St. Clair counties will be rescheduled for use on projects in the other nine counties of Highway District 8 in an attempt to avert a loss to the district of about \$20 million in federal funds. Last year the district lost \$24 million for work in the two counties because of the freeze.

In addition to Madison and St. Clair counties, District 8 includes Monroe, Washington, Jersey, Bond, Calhoun, Greene, Macoupin and Montgomery counties. About 70% of the money spent for state and federal highway work in the 11 counties of the district is spent in Madison and St. Clair counties. Highway

work planned in the 11-county district this year approximated \$38 million.

**Claimed Excessive Costs**  
The freeze was imposed by the Federal Highway Administration almost a year ago. The action was based on alleged excessive construction costs in the Madison-St. Clair county area, as compared to costs in other counties and to state average cost items.

In addition, the Federal agency charged discrimination by highway construction contractors in employment of minority workers on highway jobs.

The federal government has demanded a greater number of Negroes on highway construction jobs and has indicated that job training programs and an expanded hiring plan are among factors necessary to eliminating the freeze.

**Meetings Under Way**  
A series of meetings has been under way in recent months between representatives of minority groups, contractors and unions in an effort to reach agreement on such programs.

It has not been immediately determined how much work or where in the other nine counties of the district work will be increased, but Kronst said he hopes to avoid loss of funds for highway work in the area, even though the money can't be spent in Madison or St. Clair counties.

The freeze, Kronst said, is delaying about \$20 million in interstate highway work in the two counties. Another \$4 million which was to have been allocated in the two counties for primary roads (state and U. S. highway) was allocated to other parts of the state.

Navy Construction Mechanic third-class Steven J. Kovach, son of Mr. and Mrs. William E. Kovach, 3239 Westchester drive, is serving with U.S. Naval Mobile Construction Battalion Eight at Camp Haskins South, Red Beach, Danang, Vietnam.

The Seabee battalion is currently on its fourth tour of duty in Vietnam. In Vietnam, the "Seabees" provide technical assistance to villagers with construction projects. They build airstrips, temporary housing, port facilities and fuel storage tanks, drill water wells and construct other facilities.

## Open House Sunday at Lewis-Clark Library

The Lewis & Clark Library System will observe the start of National Library Week with an open house from 2 to 5 p.m. Sunday at its new building on Goshen road, Edwardsville.

James L. Reed, president of the Lewis and Clark board of directors, noted that the recently completed structure is located approximately one mile south of Edwardsville on Route 150. Signs will direct visitors to the system headquarters, she added.

## Two-Year Auto License Law Given Legislature

Legislation to establish two-year license plates for passenger cars starting with the 1971 registration has been introduced in the Illinois General Assembly at Springfield at the request of Secretary of State Paul Powell.

The measure calls for no increase in present license fees, but requires that the fees for both years be paid at the time application is made for the plates.

Reduced expenditure for purchase of plates and decreased administrative operating expense in the secretary of state's office will benefit the road fund by about \$10 million over a two-year period, Powell said.

As examples of reduced administrative costs, Powell said that in the second year of the registration period there will be no cost for postage or additional personnel and no cost for printing applications. In addition, the state can collect interest for an entire year on the portion of the fees representing the second year of the period.

Raymond McGee, 2812 Willow avenue, reported that at 3:30 p.m. Monday that as he attempted to turn his car from Namsoki road onto St. Clair avenue, he stopped for a girl who was crossing the street. She walked into the right front fender of his auto but did not appear to be injured, the driver said.

## Man in Mishap Charged

Samuel H. Stark, 1917 Benton street, was charged with a stop sign present after the left side of his auto struck by another driven by Janet M. Warren, 3148 Princeton drive, at 5 p.m. Monday at St. Clair avenue and Nameoki road.

## Man Loses Wallet, \$15

John Bohnenstiel, 2548 Center street, reported at 5:15 p.m. Monday that he lost his black wallet, containing \$15, his driver's license, credit cards and other papers.

He acquired vehicles within the two-year period would be decreased semi-annually.

## Jockey Tells Kiwanis Details of Racing

Stewart Vail Jr. of Miami, Fla., a race track jockey, was introduced by William Seebold, as the featured speaker at the Kiwanis meeting Monday evening at the Rose Bowl.

Vail, who presently is at Fairmount Race Track, explained he has an agent who arranges the horses he will ride in various races and he has ridden as many as nine in one night. His best win for one evening was four out of five races.

All riders are required to serve an apprenticeship of 50 races before they are considered a professional. He can earn as much as \$500 a year, and some jockeys ride only six months of the year and earn \$15,000.

The greatest problem for a jockey is his weight as he can never go over 118 pounds or he finds it difficult to find work. His average working span is about 15 years and starting too young is a definite disadvantage, Vail said.

Since jockeys are considered high insurance risks, most can only obtain insurance through Lloyd's of London. The most coveted race is the Kentucky Derby and races in New York state, because of the big money there.

Edward Moore, president, presented the speaker with a certificate of appreciation for appearing at the dinner meeting.

## Charged After Mishap

Pulling out of the Granite City Steel Co. driveway, an auto driven by Darrell L. Morrison, Monroeville, Pa., struck a pickup truck driven by Ernest Barry, 25 Briarcliff, at 3:20 p.m. Monday at 16th street and Madison avenue. Morrison was charged with a right-of-way violation.

## Stop Sign Charge Filed

Louis F. Worman, 837 Benton street, was ticketed on a stop sign violation charge at 9 a.m. Tuesday at 19th street and Edison avenue.

### Which is Cheaper—Self-Service or Home Laundry?

If you are a two-person family, chances are you would be better off financially to use a nearby do-it-yourself laundry than to own laundering equipment.

A study done by the U. S. Department of Agriculture concluded that the at-home expense for a washer and dryer usually doesn't pay off for those who are doing less than five loads per week.

The researchers took into consideration the equipment cost, depreciation over the probable life of the appliances, utility costs for gas, electricity and water, plus the cost of the detergents and disinfectants.

At the time of the study, the self-service laundry price amounted to 57 cents per load, including the cost of the detergent and other laundry aids.

At home, the cost varied with the number of loads per week. The more loads, of course, the cheaper the price per load. For instance, laundering three loads per week averaged about 75 cents per load. Only when five loads or more per week were laundered did the price per load go below that of the self-service laundry.

So if your family is small, convenience rather than a financial saving is probably your main argument for owning your own laundry equipment.

**Spring Brings Fresh Asparagus**  
Fresh asparagus rates a place in spring menus. Peak supplies of this tasty, diet-right vegetable are available from April to June.

When shopping for asparagus, look for closed compact tips, smooth, round spears and a fresh appearance. A rich green color should cover most of the spear. Avoid those with open and spread tips and spears with up-and-down ridges. These signs of aging mean tough asparagus and poor flavor.

Also avoid excessively sandy asparagus, because sand grains can lodge beneath the scales or in the tips of the spears and are difficult to remove in washing.

Calorie-watchers can count on asparagus as six medium spears contain only 20 calories. In addition, you get a fair share of vitamins A and C.

For the best taste and maximum nutritional value, don't overcook. Vegetables are more vulnerable to mistreatment in cooking than most other foods. By cooking them in the shortest time possible in a small amount of water, you get the best in color, texture and flavor.

## Enlarged Coffee Shop at Hospital is Open

A milestone in service to the community was marked yesterday by the St. Elizabeth Hospital Auxiliary with formal opening of the expanded and modernized Coffee Shop at the local hospital.

With its decor combining shades of gold, moss green and browns, the Coffee Shop area sparkles with attractive gifts and floral arrangements.

The renovated and new shop facility is open for business, but the added service wasn't reached without its trials and tribulations and lots of hard work by many, many volunteers.

The St. Elizabeth Hospital Auxiliary, formed in 1941, now boasts a membership of 150. About 35 members dedicate themselves to active and continuous participation in the Coffee Shop project.

**Services for Patients**  
Other members handle a variety of patient services, also sponsored by the Auxiliary, including television rentals, a beauty shop for patients, vending machines and the Candy Strippers and Pink Ladies organizations.

All pitch-in to help raise funds through these services to provide scholarship grants to nursing students each year and to furnish needed equipment for hospital use.

The Auxiliary also has pledged \$150,000 toward St. Elizabeth's new addition so that beds will be available when illness or accidents require local residents to seek vital health care.

**The original Coffee Shop** was opened about 1960, without capital, and served coffee and doughnuts only. Again without financial backing, the Auxiliary enlarged the facility six years ago at a cost of \$2500, enclosing the area and stocking it with toys, novelties, candies and cards for the convenience of patients and their visitors.

**Caught On Quickly**  
From the start, people appreciated the added services provided by the Coffee Shop auxiliary workers and within a short time there was "standing room only" in the facility.

The fact that the Auxiliary

had already pledged \$150,000 to the building fund did not deter members from an additional pledge to expand and renovate the Coffee Shop, as recommended by hospital licensing surveys, Sister Mary Thomas, Edward Moore, the general hospital administrator noted.

Numerous meetings with Joseph Standish, the architect, and other businessmen took place before the old Coffee Shop was closed on Dec. 27 to permit new construction to go ahead.

The new 32x32 foot area will seat 70 persons and a modernized kitchen facility will enable more rapid service to patrons, according to Mrs. Helen Bergfield, chairman of the Coffee Shop committee. The addition also includes an office for the auxiliary.

**Self-Service Arrangements**  
A cafeteria-style serving line has been installed and about 80% of the food and gift business will be self-service.

Hot plate lunches will be served daily during the noon and dinner hours and sandwiches, hamburgers and other short order food items are available at other times.

A complete ice cream line, including sodas, malts and sundae is now possible with the new fountain equipment, Mrs. Bergfield said. The fountain was donated as a memorial to the late Walter Reese by his son, Jack.

Original gift items, novelties designed to please young patients, books, greeting cards and boxes of candies are available.

Floral pieces, created by Mrs. Bergfield and Mrs. Mary Kristian, a member of the Coffee Shop committee, also are displayed for sale. Up to the present time, the two women have fashioned the floral arrangements in their own homes, but now plan to use the office space for this purpose.

**Garment Section**  
Another new area of sales added by the Auxiliary is pajamas, dusters, housecoats and other garments often needed by patients, the chairman said.

bers do receive a "meager reimbursement" for working in the Coffee Shop, according to Mrs. Bergfield. Those receiving the small wage are usually members on social security who work five hours per day, three or four days a week, plus donating several hours of volunteer time, she said.

Volunteer members work four-hour shifts, at least one day each week. "We get wonderful cooperation from everyone," Mrs. Bergfield noted. "Many of our members work at regular jobs and are raising families, but seem to find time to help out. Several will come in at short notice should someone call off their scheduled work shift, because of illness or similar trouble."

"Those who are employed full-time come in during the evenings, after work or on weekends. The ladies who get the modest pay we can depend on being here as scheduled and many volunteers will work double shifts in an emergency."

**Types of Uniforms**  
Strictly volunteer personnel wear pink uniforms, while auxiliary members receiving remuneration, but also contributing volunteer hours, are in white with pink aprons. Mrs. Arrella Seiter and Mrs. Irene Spillers, committee members with Mrs. Bergfield and Mrs. Kristian, oversee all purchasing and payment of bills.

Mrs. Marge Norwood, St. Elizabeth Hospital Auxiliary president, is responsible for all activities of the volunteer organization.

When a new entranceway is completed, access to the Coffee Shop will be gained from a rear entrance to the main corridor on the ground floor, opposite the hospital cafeteria.

Hours of operation currently are set from 7 a.m. to 8 p.m. Monday through Saturday and from 1 to 8 p.m. on Sundays, Mrs. Bergfield said.

### MOTHERS' AUXILIARY FOR BOY SCOUT TROOP

A meeting of mothers and committeemen of Boy Scout Troop 4 was held Tuesday evening at the Dewey Avenue Methodist Church for the purpose of forming a Mothers' Auxiliary.

Newly-elected officers in the mothers' group are—Mrs. Nona Harris, president; Mrs. Sharon Howell, vice-president; Mrs. Terry Shane, secretary; Mrs. Judy DeLoria, treasurer; and Mrs. Wilma Ambury, committee chairman.

Also present were Robert DeLoria, scoutmaster; Bing Hurst, assistant scoutmaster; and Jim Reynolds, Woodrow Cavins and Robert Shane.

Plans were completed for a rummage sale on May 8-10 at 2227 Bryan avenue. Clothing will be picked up by calling 452-3398 or 877-0285.

Fifteen mothers attended the meeting and announced they will meet each month on the first Thursday at the church at 7 p.m. All scout mothers are invited to attend.

### CIRCLE TWO, UPW MEET AT WERNER HOME

Circle Two of First United Presbyterian Church met Tuesday morning with Mrs. Fred Werner, 2718 Center street.

Fifteen members and two guests were present and the Year Book of Prayer was given by Mrs. Ernest Veith.

Mrs. W. W. Bowers, chairman, conducted the meeting and Mr. James Spinks was in charge of the Fellowship of the Least Coin service. The "Watershed of Religions" was the lesson given from the study book and Mrs. James Henderson discussed the Baha'i religion.

The next meeting will be with Mrs. Veith on Yale drive.

### OES WILL OBSERVE ADVANCE NIGHT

New Hope Chapter 432, Order of Eastern Star, will observe "advance night" Friday at 8 p.m. at the Masonic Temple.

All line officers will advance, and other stations will be filled by visiting officers.

Mrs. Gertrude Lowry is worthy matron and John Edwards is worthy patron.

### June Wedding Is Planned

Just announced is the engagement of Miss Kathy Raub, a daughter of Mr. and Mrs. Herman Raub, 2810 Cayuga street, and Steve Steffl, whose parents are Mr. and Mrs. Edward Steffl, 2541 Washington avenue.

The wedding of the couple will take place June 7 at Trinity Methodist Church.

Miss Raub is a senior student at Granite City high school. Her fiancé, a graduate of the local high school, is employed by General Steel Industries.

### 40th Wedding Anniversary

Mr. and Mrs. Edwin Gangluff, 2516 Madison avenue, celebrated their 40th wedding anniversary Monday.

They were entertained at a dinner party at the Roundtable restaurant in Collinsville by their family, Mr. and Mrs. Larry Miller, a son-in-law and daughter, and another daughter, Miss Holly Gangluff, and afterward returned to the Miller home, 2522 Poplar street, where a surprise party awaited them with other members of the family present.

Those taking part, beside the children, and grandchildren, Tommy and Debra Miller, were Mrs. Kathryn Ryckman, mother of Mrs. Gangluff, Mrs. Catherine Powers, Mrs. Ernest Pendleton, Ted Wolf, of Granite City, Mrs. Theresa Fogle of Madison, and Mr. and Mrs. Alex Kowalski of Venice.

### MRS. THARP HOSTESS FOR UPW CIRCLE FOUR

Mrs. Vernon Tharp, 2335 Zippel avenue, entertained Circle Four of the UPW of First United Presbyterian Church Tuesday evening.

A new member, Mrs. Dale Rea, was welcomed, and Mrs. David B. Maxton was a guest.

Mrs. William Jeffers presided and Mrs. Beryl Nyboer gave the Year Book of Prayer. The dedication of the Least Coin service was conducted by Mrs. Bess Henley and Mrs. Jeffers gave the lesson "Watersheds of Religion." The next meeting May 20 will be with Mrs. Henley, 27 Woodlawn avenue.

## Junior Piano Recital Set Today at SIU-SW

Kirt Pavitt will give his junior piano recital at Southern Illinois University-Southwestern campus at 5 p.m. today in the Lovejoy Library auditorium. The public is invited admission free.

Pavitt, a graduate of Clayton, Mo., high school, will play Bach's "Partita No. 1, B-flat Major," Beethoven's "Sonata in E Minor, Opus 90," Prokofiev's "Visions Fugitives," Brahms' "Three Intermezzi, Opus 117," and Stravinsky's "Etude in F-Sharp Major, Opus 7, Number 4." While attending SIU-SW, Pavitt is making his home in Granite City.

## Coolidge Band to Give Annual Concert Friday

The award winning, 98-member Coolidge junior high school concert band will present the annual spring concert at 8 p.m. Friday in the senior high school auditorium, under the direction of Robert Todoroff. An evening program will include the selections which the band performed during the district contest at Millstadt, Ill., where a First Superior rating was won.

Selections will be "Water-gate" march, "Ariane" overture, and "Prologue," a composition written by a 17-year-old Florida youth. Also on the program will be "Parade Es-cavade," a Spanish march by Cacavaz; "Folksey for Band" by Schaefer; "Mosaico De Mexico" by Gates; "A Johnny

Mercer Medley" and "Other Sounds of Herb Alpert." Miss Billie Strasser, ninth grade student conductor, has been chosen to direct "A Borodin Festival." The hour long program is open to the public without charge.

## Jones Named Manager Of U. I. Star Course

Dean Jones of Granite City has been selected as junior manager of the University of Illinois Star Course for the 1969-70 season.

The organization annually brings to the students on the Urbana campus an outstanding and diversified series of events featuring professional artists. A graduate of Granite City high school, Jones is a sophomore majoring in chemistry. He is the son of Assistant High School Principal and Mrs. Steve Jones, 3244 Carlson avenue.

As publicity manager, one of eight junior positions, he is responsible for publicizing the performances.

Star Course is an entirely student oriented organization with an advisory board of six faculty members. Its personnel handle publicity, advertising, concert arrangements and tickets and have the opportunity to meet and talk to performers. Jones is a member of Delta Chi social fraternity and Skull and Crescent activities honorary fraternity. He also is a James scholar.

PRICE TAGGING BOOKS and magazines to be sold at the book sale Tuesday at Prather junior high school are, left to right, Carol Ross, Karen Guthrie (standing), Carol Champion, Miss Linda Davis, assistant teacher, David Heth (standing), Paul Seebold, Daryl Kemper and Bob Gann.

## Prather Class to Hold Book Sale on Tuesday

Prather junior high school will observe National Library Week next week with a book sale on Tuesday.

Preparing for the sale, which includes price-tagging books and making signs, are phase IV seventh grade students in the class of Miss Carol Cook, with the assistance of Miss Evelyn Laux, librarian.

Paper and hard-bound books and magazines will sell from five to 50 cents. They were donated by students and members of the faculty. Proceeds of the sale will be donated to the school library.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

PREPARING SIGNS to promote the book sale Tuesday at Prather junior high school are, left to right, Joy Pope, Debbie Skalsky and Pam Doty.

## Sierra Club to Show Films at SIU-SW

The third in a series of three programs of Sierra Club films will be shown at SIU-SW campus, today at 7:30 p.m. in the Lovejoy Library auditorium. The public is invited admission free.

Films to be shown are, "An Island in Time: The Point Reyes Peninsula," which shows a portion of northern California, now reserved as a unit of the U. S. National Seashore system. "Two Yosemite," shows the scenic twin to the Yosemite valley which existed before the 1914 construction of the Hetch

Hetch reservoir which converted its twin into an artificial wasteland. In the third film, "Nature Next Door," Robert Stebbins records wildlife in an area close to a city of four million.

## Tri-Hi-Y Banquet To Honor Senior Members Monday

The second annual YMCA Tri-Hi-Y banquet to honor graduating senior club members will be held at 6:30 p.m. Monday in the "Y" auditorium.

More than 100 club members have been invited, and others attending will include club advisors, "Y" board members, youth committee members and other interested adults and parents.

The program will feature two high school students from the St. Louis Metropolitan YMCA who served as camp counselors last summer in Bogota, Colombia. They are Judy Lesser and Mike Sherman, who will present a color slide documentary of their experiences in the South American setting. Reservations may be made until tomorrow at the "Y" youth department office where tickets may be purchased at \$2.25 per person.

## Negro History-Art Program at SIU-SW

James Ira DeLoache, artist, historian, lecturer, will present a program on "Negro History Through Art" at SIU-SW campus, April 28-30.

The lecture-demonstration, art exhibit, poetry and song recital will begin Monday, April 28, at 7:30 p.m. in the St. Clair Room of the University Center.

DeLoache, a graduate of Howard University and Cooper Union School of Art, is a nationally acclaimed painter and authority on Negro history. He has had one-man shows at the Ligon Duncan and Norvell Galleries in New York and participated in many group showings.

## Journalism Fraternity To Hold Initiation

The St. Louis professional chapter of Sigma Delta Chi will hold its annual initiation banquet this evening at Southern Illinois University-Southwestern campus.

Members will meet at 6 p.m. in the Communications building for a tour of its facilities and a visit to the Aleutic office where the bi-weekly school newspaper is printed.

Following the 7 p.m. dinner in the Missouri room of the University Center, Prof. John Rider, chairman of the faculty of mass communications and director of Broadcasting Services at SIU-SW, will explain the progress and future plans of the communications media program at the campus.

Rider, who has been a news commentator, reporter, editor and producer for both radio and television programs, will be one of the initiates into the journalism fraternity tonight. The professor has also been a photographer and narrator for several documentary films and a consultant for Bell Telephone Laboratories in Murray Hill, New Jersey.

Rider arrived at SIU-SW from Syracuse University, where he had been teaching since receiving his Ph.D. degree from Michigan State University in 1963.

## Two-Year Enlistment Option in Army Opens

722 GCHS Seniors  
Preparing for  
Commencement

Graduation from high school is fast becoming a realization for 722 seniors at Granite City high school, and with the final ceremonies also will be several social activities to which all students look forward to as a conclusion of their high school days.

Fifty-one students who completed requirements for graduation in January will take part in the Commencement ceremonies May 29.

The senior class play, "Ten Little Indians" under the direction of Richard King, was an event of Wednesday evening, at the beginning of six weeks of activities.

A Spring Formal or "prom" will follow on Saturday, April 26. The Home Economics Department has traditionally honored senior girls at a tea and this year the special day is set for May 13.

The Recognition Assembly is to be conducted on May 14 at which time all individuals and groups will be honored for outstanding achievements. Granite City Foundation Scholarship winners are also announced at this assembly.

May Day will be observed on Thursday and Friday, May 15-16 when the new May Queen and her court will be crowned and all senior girls march in formal length gowns, to the stage to observe the May Day program presented by the girls athletic department.

For fun and frolic, the annual "Tacky Day" will be taking place on Monday, May 19.

Back to the serious aspects of graduation will be the Senior Banquet on May 22. A baccalaureate practice will take place on Friday, May 23, at 9 a.m. with the baccalaureate to be held on Sunday, May 25, at 2 p.m.

Commencement practice will be on Wednesday, May 28, and Commencement on Thursday, May 29.

Representative Girl,  
Boy Nominations

Three girls and five boys have been selected by the faculty of Granite City high school as nominees for the most representative girl and boy of the 1969 graduating class.

They are Barbara Kutsky, Cindy Todoroff, Ruth Diak, John Van Buskirk, Ralph Burnett, Alex Tarpoft, Roger Belsh and Chris Hamiltons.

The student body will vote on one boy and girl to share this honor with their selection announced on Recognition Day, May 14.

GC Latin Club Banquet  
Held as Salute to Venus

The Latin Club at Granite City high school has held its annual Roman banquet on the theme "A Salute to Venus—Goddess of Love and Beauty."

Entertainment and decorations centered around the theme. Various club projects were displayed, and all members were attired in Roman costumes.

It was announced that Gerald Griffith, a sophomore, will compete in the state Latin contest final April 26 at the University of Illinois. He and Steven Doroghazi were rated as excellent in the district contest held recently at Collinsville.

During the banquet, after Paul Doroghazi welcomed guests, Kris Good and Carl Harris consulted the goddess Venus to find the outlook of the banquet, as was the custom of the ancient Romans.

Marsha Love, club president, then announced: "Eat, drink and be merry!"

Entertainment and decorations show in which Dan Bernaix, Gerald Griffith and Tony Karpowitz received first, second and third places respectively.

"Pyramus and Thisbe" and "Daphne and Apollo," two stories from antiquity, also were presented. Students taking part were Sue Kiyasheff, Jan Bugg, Brad Cross, Phil Dorch, Dave Roulard, Kevin McIlroy, Karen Wiehardt, Sandy Evans and Lisa Shelton.

Miss Mildred Iffrig, club sponsor who is retiring from the GCHS faculty at the close of this year, was presented with a vase, a painting and an orchid corsage by her students for her work with the local and state organizations.

Guests included Dr. and Mrs. E. W. Walton. About 59 other members attended.

Committee chairmen included Marsha Love, Pat Lapinski, Mary Nagle and Paul Doroghazi, programs and planning; Brad Cross, Treva McCarty, Sue Kiyasheff and Jan Bugg, food; Phil Dorch, Kevin McIlroy, Gerald Griffith and Connie Edwards, entertainment; and Vickie Harmon, Angela Epperson, Christie Christich and John Harizal, decorations.

"THE ASSOCIATION," pop recording group which will present concerts at 7 and 9 p.m. April 27 at Southern Illinois University-Southwestern campus.

## Top Pop Group to Hold Concerts at SIU-SW

"The Association," pop recording group, will appear in two concerts at Southern Illinois University-Southwestern on April 27.

The concerts, scheduled for 7 and 9 p.m., will be held in the Meridian room of the University Center.

Winners of six gold records and six grammy nominations, the group has appeared on television and has toured Europe. Originating from Los Angeles, the group entered the recording business in May 1965 with a recording called "Along Comes Mary." After a series of successive hits, the group was awarded the Bill Gavin Radio-Record award as the top pop group of 1967.

Tickets are on sale at the Information desk in the University Center. Prices are \$2.50, \$3, and \$3.50.

## Driving Rules Relaxed For Holders of Permits

Secretary of State Paul Powell announced today he has adopted a regulation giving certain young persons additional opportunity to practice driving motor vehicles on their instructional permits.

Specifically, the regulation permits persons at least 16 years of age who have successfully completed an approved driver education course to practice drive on the instruction permit when accompanied by their parents or any other licensed driver with at least one year of driving experience who is occupying the seat next to the driver.

Powell pointed out that this was one of the recommendations of the Citizens Advisory Committee on Driver Licensing which he appointed last year and which reported to him in February.

Previously, instruction permits issued to persons enrolled in an approved driver education course were valid only when the person was accompanied by the course instructor. Since the instructor relationship ended upon completion of the course, no additional practice driving could legally be done on the instruction permit.

Powell said the Advisory committee stated that many parents felt their 16 and 17-year-old children needed additional driving experience before attempting to pass the drivers license examination, but could not legally obtain it under the old regulations.

This new regulation will permit them to gain additional driving experience before taking the examination, he said.

He advised, however, that during this period they should have with them the certificate of completion of the driver education course issued by the office of the superintendent of public instruction.

**\$2000 LOAN FUND** for Southern Illinois University-Southwestern students presented by J. S. M. Dashwood (left), president of the Union division of Miles Laboratories to Dr. John S. Rendleman, chancellor, to establish the Miles Laboratories loan fund. Charles B. Schweizer of the SIU-SW Foundation is at right. First preference on loans will be given to children of employees of the Union division. Students from the Quad-Cities area also will be given preference.

## Scholarship Offered In Advertising Course

A \$100 scholarship is available to a student for his or her freshman year in the professional advertising program at Southern Illinois University, Carbondale.

Named the Dan Hopkins Memorial Advertising Scholarship in honor of a lifelong newspaper advertising man, the scholarship is intended to encourage bright youths to select advertising as a career.

Interested high school seniors may apply with Dr. Donald G. Hileman, Journalism department, SIU, Carbondale, prior to May 1. The winner will be notified by May 22. Enclose a photo, a one-page statement on a preference for an advertising career, and have the grade average forwarded to Hileman from the principal, along with a statement of writing ability and potential for university work.

## Commission Would Plan for Airport

(Springfield Scene)

The need for a major Illinois airport in the St. Louis metropolitan area and for a third major Chicago area airport is the subject of an Airport Study Commission proposed in Senate Bill 263.

It has been recommended by the Senate Executive Committee and awaits action by the Senate Committee on Public Finance Appropriations Division.

Gov. Ogilvie also has released \$50,000, authorized last summer, for a site feasibility study to locate a major airport in the Madison-St. Clair counties area.

House Bills 46 and 1116 would provide state aid to non-public schools through grants to students or parents whose children do not attend public schools.

Rival bills to set up machinery for the Illinois Constitutional Convention are S. 159 and H. 348. They differ in pay of delegates, the election date and

convening date, but both call for a non-partisan election of delegates.

S. 98 again creates a \$1 billion National Resources Development Bond Act. Such a program failed to gain enough favorable votes in the November 1948 election. The present form of the bill requires phases of the referendum to be voted on separately paper ballots.

About 2500 bills and resolutions have been submitted for consideration in this General Assembly session, which began in January and is to end by June 30.

A proposed 45% increase in spending in a single year, a budget boost of \$1,400,000,000, is being challenged because it does not include provision for lowering of some of the existing taxes that are viewed as inequitable, such as the inheritance tax and the administration of personal property taxes.

## Liability in Spraying of Crops

(Tri-City and Illinois Bar Associations)

The farmer who decides to "spray" his crops with pesticides, the dangers involved and the precautions to take in connection with their application."

The careless or negligent sprayer is subject to the loss of his license.

The licensing law does not apply to the farmer who sprays his own crops or those of more than two other farmers in any one year.

But, if he is licensed, or not, the farmer may be held liable for any damage his spraying does to the property of others.

The farmer who hires a licensed professional sprayer should demand a written contract.

Among other things, the contract should specify the time and number of treatments, the chemicals to be used, the rate of application, and the price and terms of payment.

It should also contain provisions for the farmer to be held liable for the damage to crops and livestock of adjoining owners.

Under the law, any applicant for a license must be examined by the department and must demonstrate that he possesses adequate knowledge concerning

### Illinois Needs More Doctors

The President of the Illinois Medical Society recently issued a strong statement calling for a dramatically stepped-up program to have more doctors in the state.

Dr. Philip C. Thompson's unusual statement squarely faces the realities in Illinois. He notes, among other things, that Illinois medical schools graduated 40 fewer last year than in 1934, when he got his diploma.

"We cannot afford the luxury of time," he stated, "America had a crash program in World War II which doubled the annual output of doctors. We need the same thing now."

Not only are there fewer physicians and dentists, as he points out, but because of the increasing population there are fewer and fewer in the areas of greatest need.

Here are some examples which I have seen:

1. A teacher in an inner-city situation said none of her second grade students had been to a dentist until she took them to a dental school. Some of their teeth were in unbelievably bad shape. There are no dentists in the area of the school.
2. A few weeks ago I visited the community of Robbins, population 9,500. They have no physician and very limited transportation facilities. The death rate at birth in Robbins is double that for the rest of the county where it is located.
3. Pembroke Township in Kankakee County has 12,000 citizens and a physician only two days a week.

At least once a month some community calls to tell me its desperate plight. O'Dell, Illinois—along Highway 66—has had a sign up for months that it needs a doctor.

Dr. Thompson suggests that the medical schools must be used better—that they are producing fine research people, but not nearly enough family doctors.

He also feels that the medical schools should have more programs to help keep the physician in the small community abreast of the latest developments.

What the outspoken doctor says makes a great deal of sense. He calls the recent report to the Illinois Board of Higher Education to gradually increase the number of doctors as excellent but "too gentle with time."

I come from a community of 1,800 which has the good fortune to have two excellent physicians. But many small communities have none, and many sections of our state are woefully lacking.

The Illinois Medical Society's President makes sense in what he says.

John Buncher, the "Peanut King," known to his many friends and acquaintances as "Bunch," is back on his feet and at the corner of 10th and State streets, proving that spring is here. He never gets his popcorn and peanut wagon out of winter quarters until the baseball teams are back from their training.

The tenth anniversary of the Woman's Home Missionary Society was celebrated in the Niederrhaus Methodist Episcopal Church parlor, with Mrs. E. Mercer in charge of the program. Special numbers were given by Miss Tena McKen, Miss Edith Fossick and Mesdames C. H. Courtney, C. C. Hughes, G. McKeane, S. Bramley and H. F. Butler. Mrs. G. W. Davis, president, spoke.

Convinced that the practice of smoking cigarettes is growing among local public school pupils, teachers are preparing to take action by prosecuting all dealers who sell tobacco of any kind to minors.

## EDITORIAL

(Granite City Long-Range Plan)

Additional tools used in implementing long-range development planning.

Regular Referral.

This is a process which gives the City Planning Commission the power of review of all construction projects to be undertaken by other city departments.

It is especially necessary in the location of new community facilities in order to coordinate the proper location of these facilities with relation to utilities, access roads and population.

Planning Commission should have the right to review the building plans of the local governmental agencies, to pass on its recommendations to the agency constructing the facilities.

Codes and Ordinances.

Adequate codes and ordinances provide sound standards for the construction, use and occupancy of buildings.

Model codes developed and kept up-to-date by national organizations are preferred.

However, local codes are acceptable — provided that

they set comparable standards and do not contain restrictive provisions that unduly increase construction costs.

The following are the housing and other codes presently being utilized and enforced by the city:

1. Electric Code — The National Electric Code of 1963 by the National Fire Protection Association is utilized.

2. Building Code — The Building Officials Conference of America, 1960, and the BOCA Abridged, copyrighted in 1961 with its 1962 supplement, are utilized.

3. Housing Code — The American Public Health Association's 1962 edition of "A Proposed Housing Ordinance Regulating Supplied Facilities, Maintenance and Occupancy of Dwelling and Dwelling Units" is used.

4. Plumbing Code — 1959 State of Illinois model ordinance is used.

5. Fire Prevention Code — The 1963 Fire Prevention Code by the National Insurance Association is in effect.

Next: Capital Improvement and Renewal.

On the former point, it would be untenable for essential information to be denied the mayor by an unfriendly staff official. The latter point, state legal rulings prevent the comptroller from paying an alderman for more than two absences, other than absence for severe illness or death. Shift work also is discouraged by city law as an excusable absence but this is not backed up by Illinois statutes. Probably a court decision should be sought to settle it.

In any case, council members surely do not desire an "anything goes" atmosphere in which legal restraints are ignored and a correspondence of records — reports barrier develops, preventing effective operation of the mayor's office.

There may be at least a psychological barrier between the comptroller staff and the clerk and treasurer staffs at present. It is unfortunate that there is not fuller coordination. However, a certain amount of independence is tolerable and even laudable in view of the "check and balance" requirement.

Both coordination and independence could be achieved if there was full communication and there would be less chance of hard feelings starting or continuing.

There should be relatively free access to information that is filed in any of the three clerical offices and is needed by any of the others. Letters to the city should be duplicated and sent to the elected officials, including all aldermen.

Reports by officials, committees, administrators and consultants also ought to be copied for all to read and study in advance of meetings.

In this way, the fact that "knowledge is power" could not be used against each other through monopolizing of information, nor would there be much reason for long council rehearsing of facts that have been established.

Each councilman and other official, upon arriving to conduct business, would be well informed and ready to devote his talking and listening to aspects of vital concern, rather than time-consuming verbal recitations of correspondence and statistics. Everyone could get down to "brass tacks" before the hour grows late, attention wanders and officials begin to scatter and depart.

All could do a better job and would be accorded the respect and background knowledge they deserve to have as government officials of their community.

Awards to Press-Record in Four Categories

Since newspapers are as diverse as the communities they serve, it is difficult to find a perfect way to compare one with another; they deal with differing conditions and challenges. Nevertheless, the Press-Record is pleased to have been accorded second place in each of four different categories of the seven judged last week by the Southern Illinois Editorial Association.

The awards received were for coverage of local news, a feature article, locally-written editorial comment and general excellence. A year ago, the first time such judging took place, third place was received for local news coverage.

The awards are especially appreciated by the Press-Record because no fewer than 126 papers in three daily and non-daily divisions were evaluated, and because it was an impartial competition; special publication dates included in the judging were chosen at random and were not disclosed in advance.

Some duplication of procedures is called for by the state law as a "check and balance" to assure proper handling of records, adherence to sound business practices, and adequate interpretation of the condition of city accounts. The financial reports dealing with basically the same facts are currently prepared by the treasurer and comptroller.

Assuming that taxpayers need some kind of non-elective "watchdog" over municipal expenditures, somebody who does not need to worry about his popularity with the public and can "call them as he sees them," it is hard to see how economy could be achieved by installing the comptroller a successor, regardless of title, also would draw a salary.

Factorialism and a disagreement over council meeting pay appear to have been the basis for introduction of the comptroller abolition.

### GROUP LISTS ITS GOALS

FOR SPECIAL EDUCATION

To the Editor:

The parents of children requiring special education in Granite City have united in a common effort to effectively come to understandings and solve the difficulties of individual situations.

It is our wish to establish a good relationship with the entire school system to enable us to make constructive suggestions.

We wish to assist in the coordinator for improved quality education for children in handicapped classes.

We want to assist in acquiring more classrooms to meet the needs of the children now placed on a waiting list.

Interested parties are urged to attend our next meeting, where we will have a panel discussion to help us in achieving our objectives: April 19, 7:30 p.m., St. John's United Church of Christ, 2801 N. Main St., public invited.

YOUNG THUGS COOLED, ADOPT LIFE OF CRIME

To the Editor:

I would like to quote part of a speech made by Lester H. Lobel, a student-known juvenile court judge.

"If a youth goes through juvenile court without respect for the law, he continues as a delinquent and that is where the breakdown is today."

"He becomes a graduate of a juvenile court that has done nothing for or to him."

"A statement that commonly appears in the press is that juvenile delinquents are a robbery and turned over to the juvenile authorities." That is the way you hear of it.

"No one knows who he is, the circumstances of the robbery, or his punishment."

"I think the man who was robbed, has as great a right as the one who committed the crime."

"It would be interesting to know the percentage of adult criminals who have been through juvenile court, pam-

pered and petted so that they have no respect for the law."

"I venture to say 50% would be an under-estimate."

"If they came out of juvenile court without respect for the law, they went into adult life without any respect for the law. So, we have a breakdown of law enforcement, in both juvenile and the adult field."

"Ninety-seven percent of the youngsters are good. That is because they have good parents. The 3% are bad because they are different parents, and those are the parents I am trying to put the finger on."

"Persuasion won't do it, but open court hearings with full newspaper publicity in felony cases makes that delinquent parent enforce discipline. Discipline does start in the high chair, not in the electric chair."

"With all its shortcomings, ours is the greatest form of government yet conceived by man, and it can only exist among enlightened and intelligent people."

"Liberty is our most precious gift—the right to live our life, to love our country and to worship God as we see fit."

"Let's not lose that liberty in the streets of America."

"You will like to see this in The Forum, as it is so true of our city today."

Vandals are destroying our homes and our property. They are taking our property and trying to protect ourselves. These vandals laugh in our face and tell us we have seen nothing yet."

Maestas, 56 years, Supt. George T. Wilkins was toastmaster. Immediately after the dinner, Arthur Martin was seated as a board member.

### TREAT ALCOHOLICS AS LIARS, NOT CRIMINALS

To the Editor:

Alcoholism has become one of our major health problems.

In recent years, the approach to the alcoholic as a criminal has fallen into greater and greater disfavor.

In New York, for instance, the practice of daily arrest of delinquents has been formally halted, not only on a local but federal level.

The constitutionality as well as the morality of arresting the drunk simply because he is drunk is being questioned.

The very institute of justice which planned the project with a grant from the Ford Foundation argues that drunkenness is not treated as an offense, and recommends civil detoxification centers, such as they have in St. Louis and in Alton for people who want it.

As Supt. Scudder of the Chino, Calif., prison honor farm says, "The drunk is a criminal, but he is not a criminal."

Police keep filling our jails with the drunk, and we have more and more drunks, youngsters who have taken LSD or marijuana, and women charged with law violations—while real criminals—felons and molesters—often well known, too often go free.

EMERGENCY ROOM STAFF THOUGHTFUL TO PATIENTS

To the Editor:

I would like to say that when you sit down and think about

it, the hospital's service is fairly good.

I'm just a Candystrapper there, but I work in the Emergency Room three days a week. The nurses try their best to help anyone.

The nurses here are the politest anyone could ask for. I will admit they do get pretty busy at times, but they try their best.

I have only been working up there since January and I find E.R. the best place to work. You need it.

My father was a patient there the summer before last three times. By coming through the Emergency Room, I can remember the very same nurses as they have up there today. They always thought of the patient first, and they still do.

I'm not one to give people credit when they don't deserve it, but they do.

When we complain that we need another hospital, maybe we do, but let us be thankful that we do have one as close as this one is, instead of us going to St. Louis.

### MRS. FARLESS HONORED BY BIRTHDAY CLUB

The April meeting of the Gay Gabbers Birthday Club was held in the home of Mrs. Doris Stotz, 2871 Hodges Avenue, 2321 Clark Avenue, Tuesday morning. The birthday of Mrs. Marie Farless was celebrated and the club presented her with a gift.

The afternoon was spent in a social hour of games, with everyone receiving a prize. The hostess served a noon luncheon from a table decorated in a spring motif, with a large multicolored floral arrangement interspersed with greenery as the centerpiece.

Other guests were Mesdames Vivian Davis, Blanche Grace, Bonnie Lazenby, June Stille and Joyce Warren.

Mrs. Warren has invited the club to her home, 2708 Marshall Avenue, May 13 to celebrate the birthday of Mrs. Rivenburgh.

### JUNIOR GIRL SCOUT, FUN DAY SATURDAY

Plans were made Monday for a complete bridging ceremony by Webster PTA-sponsored Junior Girl Scout Troop 704. The leader, Mrs. Mae Lee, was assisted by Mrs. Elizabeth Griffin at the weekly meeting at the school.

A flag ceremony, conducted by the Impossibles patrol, called the session to order as the scouts recited the pledge and promise and sang the national anthem.

The troop welcomed a visitor, Tammy Sue Fritts, and the leader collected cookie money and discussed the "Junior fun day" event to be held this Saturday at Camp Lakota. The members will meet at St. John's United Church of Christ, with bus departure at 8:15 a.m.

Mrs. Wilma McQuinn, chairman of Neighborhood Five Girl Scout leaders, will be in charge.

A food price list was turned in and final plans were made for a hike and content to Wilson Park next week in lieu of a regular meeting. In case of bad weather, the usual meeting will be held.

The scouts discussed a bridge-

ing event for all levels of scouts at Webster May 6 from 7 to 9 p.m.

Plans were made for a court of awards May 20. The girls talked about people who have assisted the troop in the past year and how they should thank them.

A campout at Camp Lakota in July was planned and Caddette Karen Lee of Troop 231 led a singalong.

Present were Barbara Beavins, Mary Kay Chapline, Kay Coberly, Enid Cox, Tammy DePew, Denise Dickerson, Pam and Sharon Enring, List English, Carole Griffin, Corina Kuhn, Karol Lee, Vickie Little, Donna Long, Anita McGee, Linda Pool, Leisa Tervasi, Karen Tolan, Susan and Vickie Wely and Patty York.

### SCOUT LEADERS CONFER

Mrs. Doris Stotz, 2871 Hodges Avenue, entertained scout leaders of Webster school in her home Tuesday morning with a get-acquainted meeting and information session to give assistance to four prospective leaders who will take over established troops in the fall.

Meeting procedures and regulations were discussed, with a question and answer period following. Mrs. Mae Lee, organizer for the school, spoke on program aides and how to enlist their help. A mass bridging for all troops at the school is to be held May 6 from 7 to 9 p.m.

The consultant spoke on day camping at Camp Lakota and encouraged all first-year Brownies to attend the five days of outdoor fun and crafts.

Refreshments were served to those mentioned and Mesdames Barbara Blackburn, Florence Bryson, Alma Buente, Genesee Felker, Valara Schorheide, Betty Van Gilder and Jackie Watkins.

### WEBSTER BROWNIES WELCOME 13 MEMBERS

Thirteen new members were welcomed into Brownie Troop 809 at Webster school Tuesday afternoon by the leaders, Mrs. Valara Schorheide and Mrs. Anita Moody, assisted by Mrs. Barbara Blackburn and Mrs. Alma Buente, who will take over the leadership in the fall.

Following a flag ceremony, the new Brownies were introduced: Judith Biggs, Connie Blackburn, Connie Brombauer, Loranda Bush, Rebecca Clay, Julie Grider, Donna Heil, Christina Kuehn, Sandy LeMaster, Cynthia Parsons, Leann Thomason, Sheila Wallace and Nancy Watkins.

Mrs. Schorheide discussed a "Brownie reveal" which will be held May 10 at Wilson Park, and Mrs. Blackburn explained scouting procedures, fees and weekly dues to the new scouts.

Day camp folders were distributed and the rest of the meeting was spent in a song festival. Cookies and soft drinks were served.

Others present were Pamela Allen, Robin Beavins, Suzan Buente, Marshella Clubb, Carla Evans, Deedra Hanna, Terri Hutchinson, Wendy Ann Moody, Renee Null, Robin Pilch, Sheri Ross, Kathy Runfelt, Becky Schorheide, Donna May and Patti Smith, Robyn Stark, Lori Taylor, Rebecca Waltemate and Carol Weber.

### Frohardt Cub Scouts Tour Press-Record

Cub Scouts of Dens 1, 3, 5 and 8 of Frohardt school toured the Press-Record Monday afternoon to see in operation the presses, print shop and offices, including an electronic Fairchild machine that converts pictures to engravings.

In the group were Jeff Bell, Tom Baker, Ron Barcks, Scott Meyer, David Meyer, Ron Marhasian, Bill Metcalf, Scott Clements, Gregg Smiddy, Doug Ferguson, Jeff Robinson, Paul Krause, Dan Manogian, Bob Parsaglian, Warren Abbott, Kevin Romine, Chuck Hunter, Billy Dorn, Rick Fowler, Bruce Crown, Larry Houston, Brian Smith, Bill Kovack, David Meier and Randy Byrd.

### Model Cities Planning Seminar Set April 29

A seminar on the relationship of model cities planning to Central Business District plans of St. Louis and East St. Louis will be conducted Tuesday, April 29, at Sunset Hill Holiday Inn.

The program will start at 4 p.m. and also will cover the questions of whether model cities and business district planning is being developed for the maximum benefit of the region, and whether there is a need to relate planning activities and efforts of the private sector at the earliest possible stages.

The seminar will be sponsored by the American Institute of Planners and co-sponsored by 23 planning, engineering and educational agencies.

Appearing as panelists will be Mrs. Margaret Bush Wilson, acting director of the St. Louis Model Cities Agency; Fred Teer, executive director of the East St. Louis Model Cities Agency; Gordon Hopper, executive director of Downtown St. Louis, Inc.; and Jammie Cannon, planning director of the city of East St. Louis.

Dr. Delyte Morris, president of Southern Illinois University, will serve as moderator. Dinner will be served between the afternoon and evening sessions.

### Rotary Club Hears Chancellor Rendleman

Dr. John Rendleman, chancellor of Southern Illinois University Southwestern campus, was speaker for Granite City Rotarians and told Tuesday of the expansion of the university and its role in the community.

He pointed out the university was created as a result of a survey on education needs in Madison and St. Clair counties, during which it was learned the two counties had the smallest number of high school graduates going to college despite being the third largest populated area in the state.

This is the fourth year that the new university has been in operation, and it has shown a 25% enrollment increase in one year. The chancellor said the university has full capacity for additional programs because of present classroom space.

Dr. Rendleman commented that most teachers in high school who have been teaching for the past 10 years and have not continued to take extra courses are not up to date and are not preparing students to accept the new technical ideas of this space age.

The average student at the university is age 22; and in most cases, their parents did not attend college.

The university offers 25 master degree programs and plans to have a doctorate program in the future as well as a law school and in 1970 plans are now in progress to open a dental school, Chancellor Rendleman said.

When asked about the recently announced increase in tuition, he said, "I am against any increase as this would prevent the very students we wish to reach from attending college."

Warren Decatur, president, presided over the business session and asked for a report from John Polon and Wayne Shelton on the forthcoming Modern Living Show. They announced plans for sleeping up the campaign in selling booth spaces at the show for the May 23-25 show.

The university also announced that six visitors from Japan will be at the next meeting in a tour of the Rotary District 648. During the morning, they will visit St. Elizabeth Hospital and the locks and in the afternoon will be guests of A. O. Smith Corp.

Robert E. England, Florissant, Mo., was charged with a right-of-way violation with a stop sign present after his auto collided with a taxicab driven by David Milton, 1608 Maple street, at 1:30 p.m. Monday at 20th and State streets.

### Charged with Speeding

A speeding ticket was issued to Nick Ziats Jr., 2036 Edwardsville road, Madison, at 1:40 a.m. Tuesday at 2200 Madison Avenue.

### Nytle S. Dortch, 61, Dies; Ill 10 Years

Nytle S. Dortch, 61, of 2708 Kirkpatrick Homes, a native of Dover, Tenn., died at 2 p.m. Monday at Barnes Hospital, St. Louis, where he had been a patient for five weeks.

Ill for ten years, he had been treated for hardening of arteries and had undergone surgery for cancer. An autopsy was performed at the St. Louis hospital to determine the cause of death.

A local resident for 45 years, he was employed at General Steel Industries for 37 years as a pipelitter prior to his retirement in 1962.

Survivors include his wife, Mrs. Malinda (Squires) Dortch; two daughters, Mrs. Charles (Arlene) Lawrence of Brandywine, Md.; Mrs. Rodney (Linda) Lochman of Collinsville, one stepson, Lloyd Rider Jr. of Granite City; two brothers, Edward and James Dortch both of Granite City; two sisters, Mrs. Wallace (Margaret) Verbruyck, Granite City, and Mrs. James (Faye) Roberts, Greensboro, N.C., and four grandchildren.

Funeral services were held at 1 p.m. today. Other data is given in today's obituary column.

**Cancer Crusade to Start Sunday--Door-to-Door**

Mrs. Harriet Horn of Granite City, 1969 Cancer Crusade chairman for the Tri-Cities area, today announced that volunteer workers will begin door-to-door solicitations Sunday, with the campaign for individual family donations to continue through April 30.

Currently serving her third year as Crusade chairman for the Madison County unit of the American Cancer Society, Mrs. Horn said that 39 members of the Eta Chapter, Phi Tau Omega Sorority, are serving as co-captains for this year's fund-raising drive.

"Chapter members have agreed to recruit other volunteer workers in various neighborhoods," Mrs. Horn said. Volunteers who call at homes will distribute literature describing the dangers of disregarding cancer's warning signals, she added.

**Prompt Action Needed**  
"If every American knew and acted promptly on cancer's warning signals thousands of lives could be saved and untold suffering prevented each year from cancer," the local chairman said.

The American Cancer Society points out that years of experience have developed evidence that these warning signals are part of the body's early warning system—a radar that signals the presence of disease.

If any signal appears, and persists for more than two weeks, it should be brought to the attention of a doctor even if there is no pain, the Society said. He can determine what it means. Chances are it is not cancer. Or, it may be a precancerous condition which can be easily removed and cancer prevented.

However, if the signal should

be a symptom of cancer, the patient has a much better chance of survival and cure if he heeds the warning signal than if he ignores it, Mrs. Horn stated.

**The Warning Signals**

Warning signals are:  
Unusual bleeding or discharge.  
A lump or thickening in the breast or elsewhere.

A sore that does not heal.  
Change in bowel or bladder problems.

Hoarseness or cough.  
Indigestion or difficulty in swallowing.

Change in a wart or mole.

All current estimates indicate that more people are being treated and/or cured of cancer than in the history of this terrible disease, Mrs. Horn points out. The Cancer Society also is doing more in the areas of education and treatment of cancer because of research and contributions than ever before.

**"Heed the Signals"**

People don't have necessarily have to die of cancer today, she stressed. If the warning signals are heeded and the proper treatment is given, many cancer victims who would have formerly been given up for lost, are today leading productive lives.

Hundreds of cancer patients all over Madison county, and our own community, have been personally helped with unlimited dressings, transportation to treatment centers when possible, nursing service, and sick-room equipment, all at no charge. Your dollars provide this, the chairman noted.

Research and treatment of cancer are expensive and with the rising economy it does take more dollars to continue the progress. A cure can't be too far away, Mrs. Horn said. I know our local residents will not let our great cause down."

Crusade captains for the Venice and Madison communities still are being sought, with volunteers asked to call the Madison county in Alton at 1-465-7821.

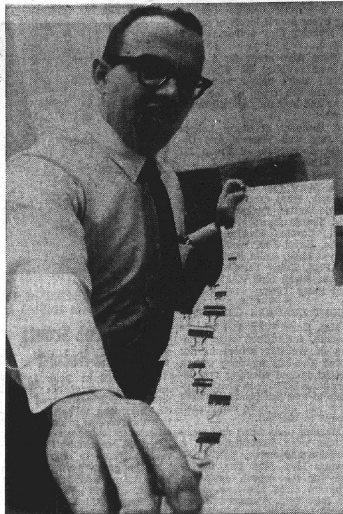

Mrs. Horn also serves as cancer services chairman for the county area, heading a group of volunteers which aids victims in many ways.

**24th-Madison Accident**

Autos driven by Harry E. Ellis, 2617 East 25th street, and Eileen K. Maxwell, 1638 Edison avenue, collided at 9:20 p.m. Monday at 2400 Madison avenue. Ellis was charged with a right-of-way violation with a stop sign present.

**Speeding Charge Filed**

Judith J. Whitaker, 2575 Boyle avenue, was ticketed on a speeding charge at 9:20 a.m. Tuesday at 23rd street and Madison avenue.

**SCHEDULING CLASSROOM SPACE** at SIU-SW campus is the responsibility of Ed Soliday, who finds it a long reach to keep classroom space and classes in tune.

**Classroom Scheduling Is Big Job at SIU-SW**

Ed Soliday has the job of getting as many as 1200 class sections in one week to meet in the 63 general classrooms at SIU-SW campus. Many of the class sections meet daily—some for one hour, others for longer periods.

Added to this juggling of time and space, Soliday, who is on the registrar's staff, has to schedule the academic space facilities four times a year, once for each quarter. Timing is important, he points out, and planning ahead is the key. All room requests by faculty for next September must be turned into his office by May 1 of this year.

"I rely strongly on the recommendations by individual faculty chairmen. As much as possible we try to give them the time they request. They know their students and frequently the time requested for the class meeting is determined by student availability," Soliday says.

All classes start on the half-hour to avoid a traffic jam if the students and work days were to begin at 8 a.m.

Sometime in the future, Soliday hopes to be able to schedule a full year of classes at one time. But new courses and the annual large increase in the student body make this idea impossible for next year.

## VHS Senior Class To Present Play On Friday Night

By SUSAN STERN

The senior class of Venice high school will present "Nowhere, Fast," a comedy mystery in three acts by Van Wallen, at 8 p.m. Friday in the school gym. Admission will be \$1 for adults and 50 cents for students.

The action of the play takes place in a quiet little tourist camp with the strange name of "Nowhere." When the bank of a nearby town is robbed of \$10,000 and two people are killed in the holdup, the countryside is combed for dangerous criminals—and all roads seem to lead to Nowhere.

That is when things happen at Nowhere, and fast Rita Adams is a mystery story writer who finds herself in the middle of a ready-made plot. Alice Arnold finds herself in love and afraid of the man she loves at the same time.

Frank, the boy Alice loves, does strange things. Then there is the man in a false beard who suspects everyone else while he isn't busy suspecting himself. Rita Adams, who is trying to solve the mystery, gets nowhere fast.

The cast includes Estella Jennings as Rita Adams, Karen Devany as Alice Arnold, Clifford McIntyre as T. P. Jones, Susie Stern as Deborah Arnold, Clint Guffey as Frank Robbins, Sharon Maurer as Bradford Smythe, Larry Mosby as Harvey Lawrence and Mary Catherine Miller as the Woman of Mystery.

Miss Irene Hackett is the director. Class sponsors are Jack Gilmore and Mrs. Josephine Davis.

## Apple Blossom Time In Southern Illinois

Apple blossoms are expected to be at their peak in southern Illinois near Carbondale this weekend. Red Bud and Dogwood trees also are likely to be in full bloom, and an invitation for a tour of the area is being extended by the McGuire family of Makanda, Ill., on U. S. Highway 51, eight miles south of Carbondale. There is no charge for the orchard tour to begin at the McGuire packing shed. Peach blossoms were at their best last Sunday, but may still be around.

### National Guards and Reservists Need Requests

Wilbur T. Lindholm, regional director of the U. S. Department of Labor's Office of Veterans' Readjustment Rights, is advising all members of the Reserve and National Guard to protect their reemployment rights when leaving their employment to participate in summer military training.

Under the University Military Training and Service Act, employers must grant leave for military training when such leave is requested, and the employer cannot require that such leave take the place of earned vacation leave.

### Ebersold Invited to Harbors, Rivers Meet

William "Mike" Ebersold of Venice, a Madison county member of the East Side Levee and Sanitary District, has been recommended by Illinois Gov. Richard B. Ogilvie as a representative of Illinois' water resource development program at the annual conference of the National Rivers and Harbors Congress, it was reported today.

Ebersold was notified of the recommendation and invited to attend the conference program in a letter from Charles Gettling, executive vice-president of the rivers and harbors congress. The letter said Gov. Ogilvie had recommended Ebersold as a representative of a "key state" active in water resource development.

### Canal Freight Shipments Showing Seasonal Rise

Commercial freight shipments through the Chain of Rocks locks and canal showed a seasonal increase during March with total freight movement of 3,448,672 tons, but total shipments for the first quarter of the year ran behind those of 1948, according to a report by the U. S. Army Corps of Engineers.

Freight movements included: Petroleum products, 595,100 tons up river and 123,200 tons down river; grain, 38,290 tons up and 1,169,970 tons down; coal, 494,700 up and 8200 down; cement, sand and gravel, 6750 up, 29,850 down; sulphur, 36,000 up, none down; miscellaneous commodities, 441,700 up, 32,502 down; iron and steel products, 83,450 up, 90,410 down; chemicals, 253,700 up, 62,750 down.

### GCHS June 1944 Grads Plan Reunion May 10

The 25th anniversary of the June 1944 graduating class of Granite City high school will be observed with a dinner dance Saturday, May 10, at the Granite City Army Depot Officers club.

Members of the arrangement committee report that more than 100 reservations have been received to date, with additional tickets still available to class members. Reservations may be made with Mrs. Jean (Young) Knox, 2968 Indiana avenue.

Others in charge of the 25th class reunion are Mrs. Margaret Whaley, Mrs. Jo Hulsey, Gene Ross, Hector Ashal, Melvin McKay, Mrs. Lucille Caban and Phil Sheridan.

### Meter Income \$4059; Total Behind Last Year

Parking meter revenue during March totaled \$4059, an increase of \$667 over February collections, but still ran \$70 less than income during the same month a year ago, a report by City Comptroller Robert Sievens showed today.

All of the increase in March meter revenues resulted from a heavy rise in fine assessments which totaled \$139 for the month. During February, fine collections amounted to only \$52 and during January totaled \$518.

Fee income for the month dropped to \$2720, compared to \$2850 in fees collected during February, and to \$3000 in fees collected in March 1948.

Total revenue for the month increased to \$10,919 the total amount of fees and fines received for parking meter operation during the first quarter of the year. This is a drop of \$1865 below total income of \$12,384 during the first three months of last year, the report shows.

Meters operated 28 days during March, resulting in a daily average revenue of \$156 for meter operation.

## Artistic Display of Maps at Menard Scheduled May 18th

Maps. Maps portrayed on paper, cardboard or canvases. Maps—showing the direction to individual destinations. Maps, to the enjoyment of the eye of mere aesthetic or soul of esoteris. Such might be the description of an artistic display being prepared for public viewing Sunday, May 18th, at Menard.

The exhibit marks the first of two scheduled at Menard for 1969, and the seventh such presentation open to public art lovers, critics and curious from near and far.

The show will be held in Menard's Educational Building on May 18th from 9 a.m. to 3 p.m. Art works of every type by inmate artists will be displayed and sold to the attending public.

Spanning seven categories, the works will be judged by a three man panel from Southern Illinois University prior to the exhibit. Traditional oil, modern oil, ink, pencil, pastel, watercolor, and sculpture are the categories.

Patients of Menard's Psychiatric Division will display products of leather craft, ceramic works, and hand-woven rugs for viewing and for sale.

Musical entertainment will be presented and refreshments served to those in attendance. Children below the age of 16 will not be permitted.

More than 500 different entries submitted by over 50 inmates will be displayed, with prices ranging from \$1 to \$50. An addition to the art exhibit will be a portrait booth set up for the public wishing to have portraits or other specified works placed on order, with arrangements made on a commission basis.

Acceptance of pictures for the exhibit began April 1st. All works entered in the show will be sprayed and matted by an inmate coordination staff, with the exception of oil paintings.

The quality of talent and degree of interest is attested to by the number of patrons who have returned to Menard for each show, once they have made their initial visit.

The staff is comprised of six localities, headed by Kenneth Rogers, inmate art instructor, and Bill Swartz, publicist. The staff will coordinate, publicize, and set-up the upcoming ex-

hibit, advised by Leslie L. Hines, Menard's assistant warden in charge of treatment; Harry M. Jackson, Vocational School Superintendent at Menard; and Donald Poss, Master of Fine Arts from SIU and instructor of weekly art classes at Menard.

The public is advised to attend early as possible in order to view or buy some of the best works of localite artists.

Proceeds and attendance figures of past exhibits have more than doubled since the first showing in January, 1966. The October 20th, 1968 showing netted a total of \$1,615.25 for local artists and was attended by 647 civilians.

More space than before has been allotted the upcoming art show and it is expected to far surpass previous exhibits at Menard.

## RIVER HILLS RESORT PLANS EARLY MAY OPENING AT CARLYLE LAKE

Within 50 miles of St. Louis, a new resort will open near Carlyle Lake this spring.

On the Kaskaskia River, six miles southwest of the 26,000 acre Carlyle Lake, the River Hills Resort is being readied for mid-May opening.

The River Hills Resort will offer a five acre clear water swimming lake with sand beaches and tent camping along 1,600 feet of the wooded shore of the Kaskaskia River, mobile home site, fishing in two lakes and numerous other facilities designed to appeal to family groups.

Family-style chicken dinners will be one of the week-end and holiday food attractions.

Gene Jantzen, manager of the River Hills Resort, is a former Hollywood figure who played the role of the chief of many tribes and has a wealth of ex-

perience in Indian customs and dances. The father of nine children, the physical culturist, is a living example of the family life the River Hills Resort will seek to offer their guests.

Admission to River Hills Resort will be by daily membership. All facilities and privileges will be \$2.00 per day for

adults, \$1.00 for children.

River Hills Resort information is available through three offices: Suite 1510, South Tower, Mansion House, St. Louis, Mo. 314-431-2363; 10 North Church St. (P.O. Box 368) Belleville, Ill. 618-233-3252; and P.O. Box 172, Carlyle, Illinois 618-765-2297.

## Air Pollution Causes Damage To Tobacco

One of the crops hit hardest by air pollution was tobacco on the eastern seaboard where polluted air caused damage called "weather fleck" in the 50's. Actual cause of weather fleck was ozone, a smog ingredient, and the main source of smog is auto engine exhaust. Odd that two lung destroyers, air pollution and tobacco, should attack each other. Guess there's just no honor among pollutants.

## 10% Gas Loss By Daily Evaporation

Did you know that 10 per cent of all gasoline you buy for your automobile escapes either from the crankcase or tailpipe and goes into the atmosphere unburned? Just imagine the loss every day from the millions of motor vehicles in Illinois.

# CARE IN TRANSPLANTING PAYS BIG DIVIDENDS

Many gardeners get off to a fast start by using transplants in their garden. The most popular transplanted crop is tomatoes, but peppers, cabbage, egg-

plant and many others are also planted in this way. Successful transplanting depends on the condition of the plant and the methods and care used in setting the plants.

Handle the plants with care. About an hour before transplanting, thoroughly water the plants and soil in the containers. Roots of plants in flats should be "blocked out" with a knife to get as much soil as possible with each root. Keep the roots moist whenever they are out of the soil.

Plant on a cloudy day or in the evening. This will give the plants time to adjust before the hot sun dries them out. Dig a hole large enough to set the transplant slightly deeper than it was in the container or seedbed.

Cover the roots with soil, firming it tightly around the plant. Use a starter solution to provide water and nutrients.

Starter solutions are mixtures of fertilizer and water. The fertilizer that is used is all soluble and should be high in phosphorus. A usual analysis is 10-52-17, but other high phosphorus fertilizers available at garden centers are satisfactory. Mix about two tablespoons of the water-soluble fertilizer in a gallon of water. Use one cup of this solution for each transplant.

Protect the plants, if necessary, from heat, wind or cold. Plant protectors such as hot

caps will limit frost injury. Baskets, boxes or jars will also do the job. In hot weather, shade protectors of baskets, boards or netting may be needed.

## Spraying Apples and Other Tree Fruits

The year 1968 was a poor year for quality home-grown apples. The growing season started out cold and wet. The fruits that survived the cold weather were infested with apple scab and some of the common apple insects.

The apple worm was not the major pest last year. It was apple scab that caused most of the spotting and misshapen fruits and the yellowing of the leaves.

The same problem can develop again in 1969 unless special precautions are taken. This

consists of applying a fungicide such as captan to the leaves as soon as some green leaf is visible. Repeat applications of this chemical at weekly intervals throughout the spring should give fair to good control of scab. Use two tablespoons of 50% captan wettable powder per gallon of spray.

Insecticides can be mixed with the captan in all sprays except when the trees are in bloom.

Such a spray program may not give your perfect control, but it should reduce the amount of insect and disease damage.

Other tree fruits should be sprayed once before bloom and then at weekly intervals after bloom, the same as apples. You can quit spraying once the fruits begin to ripen.

You wouldn't like it, of course.

You see, one of the nice things about buying U.S. Savings Bonds is that you don't have to.

That's because you happen to live in a free country where nobody forces you to do anything.

Rather, your country asks that you simply consider the many advantages of Savings Bonds.

First of all, if you think they're a get-rich-quick scheme, forget it. Bonds aren't for you. They only pay off in the long haul. For a quick return, there are a lot better ways to make a buck.

They do pay off, however. Handsomely, as a matter of fact.

A little over 4 dollars for every 3 you invest. Plus, the privilege of buying the new 5% Freedom Shares along with your Bonds.

But these are the selfish reasons for buying Bonds. Good, but selfish.

There's one other very important reason why Americans already own over \$52 billion in Bonds.

It's called pride.

It just so happens that most Americans still choose to think this is the best piece of real estate going.

If you happen to be one of these Americans who thinks there's something to this country of ours, why not buy into it.

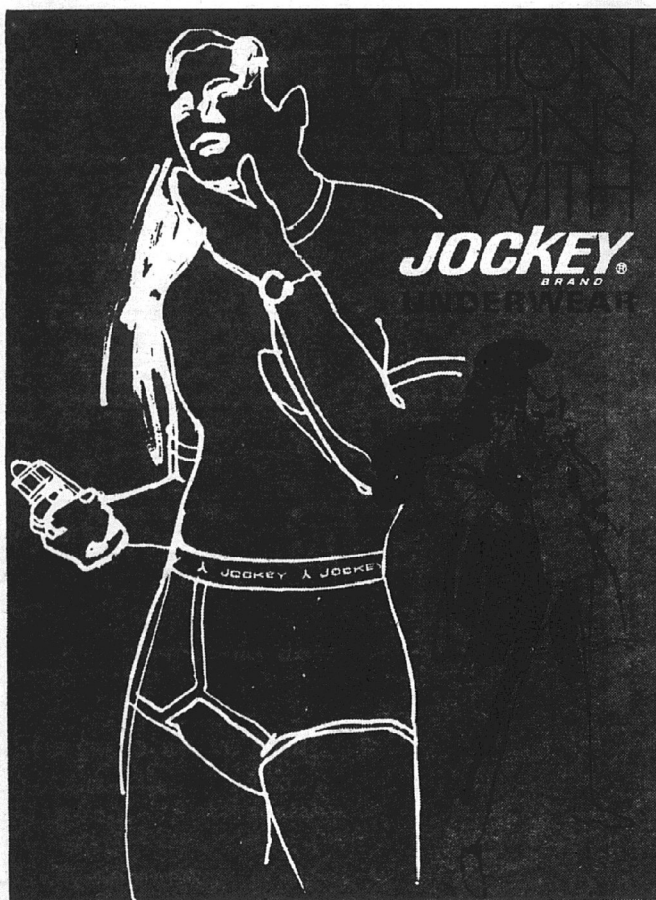

Sign up for the Payroll Savings Plan where you work.

Or go to your bank. And cough up that \$18.75. Please.
